

## E – G

*Eardley WGP, Page PRJ, Doorgakant A, Parker PJ* – Self Assessment Questions in Orthopaedics & Trauma II .....247

### EDITORIALS

A personal view – *I Palmer* .....92  
Training for war: teaching and skill-retention for the deployed surgical team – *Parker PJ* .....3

Exercise TRIPLE SERPENT – *McCourt A, Risdall J, Tuck J* .....257

### FAMOUS FIGURES

Sir Alfred Keogh - the early years – *JSG Blair* .....268  
- the years of reform – *SV Thompson* .....269  
- after the war – *JSG Blair* .....273

Sir Fredrick Treves – *JSG Blair* .....74

Sir William Leishman – *JSG Blair* .....212

Femoral neck stress fractures in military personnel - A case series – *Talbot JC, Cox G, Townend M, Langham M, Parker PJ* .....47

Field Trauma Care in the 21st Century – *O'Reilly D, Konig T, Tai N* .....260

### FOCUS ON . . .

#### HOSPEX

HOSPEX: A historical view and the need to change – *Cox CWF, Roberts P* .....193

HOSPEX and Concepts of simulation – *Arora S, Sevdalis N* .....202

HOSPEX 2008 – *Davies TJ, Nadin MN, McArthur DJ, Cox CWF, Roberts P* .....195

The Advanced Life Support Groups view of Hospex – *Davis M, Driscoll P, Hanson J, Wieteska S* .....206

#### NUTRITION

Introduction – *Risdall J, Mahoney PF* .....276

Ward based enteral and supplemental nutrition on operations – *Connor P, DeLegge M* .....276

“In Flight Catering”: Feeding critical care patients during aeromedical evacuation – *Turner S, Ruth MJ, Bruce DL* ..282

Nutrition of the critically ill patient in field hospitals on operations – *Henning J, Scott T, Price S* .....279

The role of nutrition in injured military personnel at role 4: Current Practice – *Duff S, Price S, Gray J* .....284

Forward Trauma surgery in Afghanistan: Lessons learnt and surgical skills required for the asymmetric modern battlefield – *Tai N, Hill P, Kay A, Parker PJ* .....14

Getting the best of both worlds – clinical excellence at a peripheral unit – *Day TK, Veen H* .....41

*Green AD, Hutley EJ* – Pre-hospital Antibiotic administration: A response .....5

*Greenberg N, Langston V, Jones N* – Trauma risk management (TRiM) in the armed forces .....124

## H – L

*Harrison J, Sharpley J, Greenberg N* – The management of post-traumatic stress reactions in the military .....110

*Henning J, Scott T, Price S* – Nutrition of the critically ill patient in field hospitals on operations .....279

Hugh Cairns - Neurosurgical Innovator – *Walker NM* .....146

Jejunal Lymphangioma presenting as an ovarian mass – *Norris JR, Stacey M, Rampaul RS, Cheung KL* .....243

*Jones N, Greenberg N, Fear NT, Earnshaw M, McAllister P, Reid G, Wessely S* – The operational mental health consequences of deployment to Iraq for UK forces .....102

*Lamb L, Richards P, Edgar JDM* – An unusual case of sinusitis .....54

### LETTERS TO THE EDITOR

Combat casualty Care – *Timothy JR* .....214

Early failure of external fixation – *Hammer RM* .....76

Head and neck trauma research – *Breeze J* .....214

Hospex - a valuable training and educational opportunity – *Edwards DS* .....77

Hydroxyethyl starch should not be used in critically ill patients – *Johnston AMcD, Clarke L* .....214

Methoxyflurane – *Tong JL, Gaint AJ* .....76

Predeployment medical documentation for Non-Multinational Forces on Operation TELIC – *Wood T* .....214

Primary blast injury of the eye – *Blanch RJ, Scott RAH* .....76

The Airtraq laryngoscope in severe ankylosing spondylitis – *Basaraniglu G, Suren M, Teker GM, Ozdemir H, Saidoglu L* .....77

The Airtraq – the ideal indirect device for the defence medical service – *Tong JL* .....78

*Lewis R, Mushonga B, Simpson S* – Life as a military community psychiatric nurse .....118

Life as a military community psychiatric nurse – *Lewis R, Mushonga B, Simpson S* .....118

*Lundberg L, Jonsson A, Vikstrom T, Ruters A* – Performance indicators for pre-hospital command and control developed for civilian use tested in a military training setting, A pilot study .....236

## M – Q

Management of shoulder instability in a military population – *Pimple MK, DaCosta A, Clasper JC* .....38

*McAllister P, Hughes JH* – The symptoms and recognition of post-traumatic stress reactions .....107

*McBroom RJ* – Collaborative training with ambulance service NHS .....149

*McCourt A, Risdall J, Tuck J* – Exercise TRIPLE SERPENT .....257

### MEDICAL VCS

Andrew Fitzgibbon: the youngest Victoria Cross – *Starling PH* .....81

Bravery in the trenches – The attack on the Redan – *Starling PH* .....209

A Colenso Victoria Cross: The Award to Major William Babbie – *Starling PH* .....255

<i>Murphy, Iversen A, Greenberg N</i> – The mental health of veterans .....	136
<i>Neild FG</i> – The prevention of venereal disease; A sociological approach. <b>Commentary:</b> <i>Bergman BP</i> – Sex, statistics and stereotypes.....	181
Nicholls TB – Heat stroke and its allied conditions .....	69
Smith JE – <b>Commentary</b> .....	69
<i>Nicholson Roberts T</i> – Self Assessment Questions in Anaesthesia .....	63
<i>Norris JR, Stacey M, Rampaul RS Cheung KL</i> – Jejunal Lymphangioma presenting as an Ovarian mass .....	243
Operation Musketeer - The Suez Crisis 1956 – <i>Parker PJ, Kirby N</i> .....	231
