

## INDEX TO VOLUME X.

	PAGE		PAGE
Abdominal lesions, "surgical," a few points bearing on the early diagnosis of some, by Capt. J. G. Churton ..	509	Anthropologist, a forgotten, letter from Lieut.-Col. J. P. H. Boileau, correspondence .. .. .	457
Abscess, hepatic, X-rays as an aid to the diagnosis and localisation of, by Major C. B. Lawson, clinical and other notes .. .. .	296	Anthropologist, a forgotten, Surgeon-Major George Williamson, A.M.S., by Professor Arthur Thomson, echoes from the past .. .. .	298
Abscess, liver, a case of, due to a diplococcus similar in appearance and staining-reaction to the gonococcus, by Capt. L. Bousfield, clinical and other notes .. .. .	80	Anti-typhoid inoculation, records of, performed on the third battalion Coldstream Guards, September, 1906, to October, 1907, by Lieut. J. H. Graham, reports .. .. .	429
Abscess, liver, the third case of, in a man within fourteen months, by Capt. W. J. Waters, clinical and other notes .. .. .	184	Anti-typhoid inoculation, report on further experiments in connection with, by Lieut.-Col. W. B. Leishman, Majors W. S. Harrison and H. W. Grattan, and Lieut. R. G. Archibald .. .. .	583
Adrenalin in ophthalmic surgery, the uses of, by Capt. A. J. Hull ..	58	Archer, Capt. G. J. S., Schafer's prone pressure method of artificial respiration, clinical and other notes ..	527
Albuminuria, functional, salts of calcium in, by Capt. A. O. B. Wroughton, clinical and other notes	82	Archibald, Lieut. R. G., Lieut.-Col. W. B. Leishman, and Majors W. S. Harrison and H. W. Grattan, report on further experiments in connection with anti-typhoid inoculation ..	583
Aldershot Military Medical Society, report of the, by Capt. J. G. Churton, clinical and other notes .. ..	541	Army Medical Department in the Indian mutiny, the, current literature .. .. .	334
American Army, the annual report on the health of the, current literature	560	Artificial respiration, Schafer's prone pressure method of, by Capt. G. J. S. Archer, clinical and other notes ..	527
American Army, the standard of vision required in the, current literature ..	562	Atoxyl-amaurosis, current literature ..	207
Amy, Lieut. A. C., the medical officer, the recruit and the gymnasium ..	474	Atoxyl and its value in the treatment of syphilis, by Major W. A. Ward ..	380
Anæsthesia, spinal, a personal experience of, by T. H. S., clinical and other notes .. .. .	414	Atoxyl, the spontaneous decomposition of, current literature .. ..	449
Analgesia, local, a further note on operations under, by Major F. J. W. Porter, clinical and other notes ..	282	Atropine poisoning, a case of, by Capt. N. E. Harding, clinical and other notes .. .. .	185
"Anatomy, the pocket," review of ..	331	Austen, E. E., the tumbu-fly ( <i>Cordylobia anthropophaga</i> , Grünberg) ..	18
Annual dinner, the, a suggestion, letter from Col. W. L. Chester, correspondence .. .. .	337		

	PAGE		PAGE
Austrian Army, prevention of venereal disease in the, current literature ..	449	Blood, X-bodies found in the, of human beings and animals, by Majors W. H. Horrocks and H. A. L. Howell ..	351
Awiss, Lieut. W. G., the infectivity of lobar pneumonia, clinical and other notes ..	286	Bodies, X-, found in the blood of human beings and animals, by Majors W. H. Horrocks and H. A. L. Howell ..	351
Awiss, Lieut. W. G., the treatment of scabies by balsam of Peru, clinical and other notes ..	645	Boileau, Lieut.-Col. J. P. H., a forgotten anthropologist, correspondence ..	457
Balsam of Peru, the treatment of scabies by, by Lieut. W. G. Aviss, clinical and other notes ..	645	Bousfield, Capt. L., a case of liver abscess due to a diplococcus similar in appearance and staining-reaction to the gonococcus, clinical and other notes ..	80
Barnett, Major K. Bruce, baths and bathing in Japan (Net-su-no-yu: a Japanese mineral water), correspondence ..	456	Bousfield, Capt. L., a peculiar case of surgical emphysema, clinical and other notes ..	79
Bassett-Smith, Fleet-Surgeon P. W., a summary of recent work on the cause, prevention, and treatment of Mediterranean or undulant fever, with some notes on the pathology ..	1	Bradawl, a new, for wiring bones, by Lieut.-Col. W. Dick, clinical and other notes ..	413
Baths and bathing in Japan (Net-su-no-yu: a Japanese mineral water), letter from Major K. Bruce Barnett, correspondence ..	456	Brown, Capt. R. T., camp sanitation ..	226
Bed-rest, a new pattern, by Lieut.-Col. H. J. R. Moberly, clinical and other notes ..	182	Bruce, Col. David, the Royal Army Medical Corps, reprint ..	102
Bennett, Capt. W. L., a case of compound fracture of the olecranon, clinical and other notes ..	527	"Bulletin de la Société de Pathologie Exotique," review of ..	448
Beri-beri, four cases of, by Capt. W. J. Waters, clinical and other notes ..	176	Calcium, salts of, in functional albuminuria, by Capt. A. O. B. Wroughton, clinical and other notes ..	82
Beveridge, Major W. W. O., and Capt. H. B. Fawcus, experiments with preserved meat, report ..	315	Camp sanitation, by Capt. R. T. Brown ..	226
Beveridge, Major W. W. O., on the use of potassium nitrate as a food preservative, with some methods of analysis ..	124	Cancer Research Committee, a suggestion for the, by Lieut.-Col. F. J. Jencken, clinical and other notes ..	90
Birt, Lieut.-Col. C., plague ..	51, 627	"Cancer, the reduction of," review of ..	106
Blackham, Major R. J., the treatment of dysentery, reprint ..	436	Cattle disease in the Protectorate of Sierra Leone, note on the investigation, by Capt. F. Harvey ..	41
Blackwater fever, some observations on, by Capt. D. S. Skelton ..	602	Chester, Col. W. L., the annual dinner, a suggestion, correspondence ..	337
Bladder, abnormal, intraperitoneal rupture of an, operation, recovery, by Major C. B. Lawson, clinical and other notes ..	638	Chrome-yellow, poisoning with, letter from Lieut.-Col. J. R. Dodd, correspondence ..	691
Blenkinsop, Major A. P., observations on Tumbu-fly disease ..	16	Churton, Capt. J. G., a few points bearing on the early diagnosis of some "surgical" abdominal lesions ..	509
"Blood examination and its value in tropical disease," review of ..	332	Churton, Capt. J. G., report of the Aldershot Military Medical Society, clinical and other notes ..	541

	PAGE		PAGE
Circulation, the, a few notes on the teaching of, by Capt. E. J. Evatt, clinical and other notes .. ..	417	Diagnosis, difficulty in, by Lieut.-Col. J. R. Forrest, clinical and other notes .. .. .	86
Clarke, Capt. J. B., a case of phalangeal necrosis, clinical and other notes .. .. .	421	Diagnosis, wanted a, by Capt. J. E. Hodgson, clinical and other notes ..	188
Congress of hygiene, the international, Berlin, September, 1907, by Lieut.-Col. W. B. Leishman .. ..	238, 393	Dick, Lieut.-Col. W., a new bradawl for wiring bones, clinical and other notes .. .. .	413
Cottell, Lieut.-Col. R. C., "heart disease and the Service," some further remarks .. .. .	257	Dieting in Station Hospitals in India, some notes on, by Lieut.-Col. M. W. O'Keeffe, clinical and other notes ..	77
Craw-craw in the Anglo-Egyptian Sudan, the advent of, by Capt. Howard Ensor .. .. .	140	Dinner, the annual, a suggestion, letter from Col. W. L. Chester, correspondence .. .. .	337
Craw-craw in the Anglo-Egyptian Sudan, the advent of, letter from Major E. B. Steel, correspondence	691	Diseases likely to occur on the occasion of the mobilisation of a territorial army, by Capt. W. S. Sharpe	571
Cream, mercurial, history of, current literature .. .. .	336	"Disinfectants, the bacteriological examination of," review of .. ..	330
Cream, mercurial, proposed standard preparation of, current literature ..	336	Disinfection by formaldehyde, by Lieut.-Col. R. H. Firth .. ..	356
Crosthwait, Capt. W. S., notes on a case of enteric fever which had received a first dose (0.5 c.c.) of anti-typhoid serum, clinical and other notes' .. .. .	87	Dodd, Lieut.-Col. J. R., poisoning with chrome-yellow, correspondence	691
Cultivating trypanosomes, a new method of, current literature ..	449	Donegan, Lieut.-Col. J. D. F., notes on the new Geneva Convention ..	520
Cummins, Capt. S. L., kala-azar in the Anglo-Egyptian Sudan, clinical and other notes .. .. .	174	Dorgan, Capt. J., the disposal of sullage water in India .. .. .	135
"Cytology, the essentials of," review of	107	Drunkenness: when is a man drunk? letter from D. G. C., correspondence	566
Dansey-Browning, Major G., on a dark variety of the tsetse-fly ( <i>Glossina morsitans</i> ) from the Bahr-el-Ghazal province, clinical and other notes ..	427	Drying clothes, comment on a method of, &c., by Capt. C. F. Wanhill ..	68
Davies, Lieut.-Col. A. M., review of the progress of hygiene in 1907, reports .. .. .	542, 647	Dysentery, the treatment of, by Major R. J. Blackham, reprint .. ..	436
Dental surgery on active service, some suggestions for, by Major B. W. Longhurst, clinical and other notes	644	Ear diseases, chronic, unusual sequela of, by Lieut.-Col. F. J. Jencken, clinical and other notes .. ..	91
Dewberry, Serjt., a simple method of obtaining clear agar and gelatine media without the use of the hot water funnel, clinical and other notes .. .. .	646	Ears, soldiers', a plea for the more careful examination of, on enlistment, by Major F. J. W. Porter, clinical and other notes .. ..	415
Dextrose in urine, Fehling's test for, observations on, current literature..	108	ECHOES FROM THE PAST:—	
		A forgotten anthropologist, Surgeon-Major George Williamson, A.M.S., by Professor Arthur Thomson .. .. .	298
		Experiences of a medical officer with the New Zealanders in South Africa, by Surgeon-Capt. J. S. Purdy .. .. .	191
		Ectopic gestation, abdominal section, recovery, by Lieut.-Col. W. B. Thomson, clinical and other notes ..	291

	PAGE		PAGE
Ectopic gestation, ruptured, case of, laparotomy and recovery, by Capt. M. M. Lowsley, clinical and other notes .. .. .	83	Eye, the regulations for Austro-Hungary and other foreign countries concerning fitness for service, with reference to defects of vision, current literature .. .. .	108
Editorial, the new Geneva convention	634	Eye, the standard of vision required in the American Army, current literature .. .. .	562
Emphysema, surgical, a peculiar case of, by Capt. L. Bousfield, clinical and other notes .. .. .	79	Eye, the uses of adrenalin in ophthalmic surgery, by Capt. A. J. Hull ..	58
Ensor, Capt. Howard, the advent of craw-craw in the Anglo-Egyptian Sudan .. .. .	140	Fawcus, Capt. H. B., and Major W. W. O. Beveridge, experiments with preserved meat, report.. ..	315
Enteric fever, are flies the cause of? by Capt. W. H. Odium, clinical and other notes .. .. .	528	Fehling's test for dextrose in urine, observations on, current literature ..	108
Enteric fever in India, notes on the causation and prevention of, with remarks on its diagnosis and treatment, by Lieut.-Col. T. P. Woodhouse .. .. .	616	"Fever in the tropics, their clinical and microscopical differentiation, including the Milroy lectures on kala-azar," review of .. .. .	331, 552
Enteric fever in the French Army, precautions for the prevention of, current literature .. .. .	333	Field latrine, new, notes on the, by Lieut. R. G. H. Tate, clinical and other notes .. .. .	536
Enteric fever, notes on a case of, which had received a first dose (0.5 cc.) of anti-typhoid serum, by Capt. W. S. Crosthwait, clinical and other notes .. .. .	87	Filariae, the transference of, by mosquitoes, current literature .. ..	213
Enteric fever, notes on an epidemic of, by Capt. W. E. Hudleston ..	62	Firth, Lieut.-Col. R. H., disinfection by formaldehyde .. .. .	356
Enteric fever, report on further experiments in connection with anti-typhoid inoculation, by Lieut.-Col. W. B. Leishman, Majors W. S. Harrison and H. W. Grattan and Lieut. R. G. Archibald .. .. .	583	Fish, mosquito larvæ and, current literature .. .. .	214
Enteric fever, the diagnosis of, current literature .. .. .	688	Fleas, the transmission of plague by, by Dr. D. Sommerville, clinical and other notes .. .. .	281
Entomological collection at the Royal Army Medical College, the, by Lieut.-Col. N. Manders, clinical and other notes .. .. .	293, 428, 538	Flies, are they the cause of enteric fever? by Capt. W. H. Odium, clinical and other notes .. .. .	528
Erskine, Major W. D., washing-up arrangements in barrack-rooms, clinical and other notes .. .. .	532	Food preservative, potassium nitrate as a, on the use of, with some methods of analysis, by Major W. W. O. Beveridge .. .. .	124
Evatt, Capt. E. J., a few notes on the teaching of the circulation, clinical and other notes .. .. .	417	Formaldehyde, disinfection by, by Lieut.-Col. R. H. Firth .. .. .	356
Extirpation, total, of the penis and testes, a satisfactory result, letter from Major F. J. W. Porter, correspondence .. .. .	338	Forrest, Lieut.-Col. J. R., difficulty in diagnosis, clinical and other notes ..	86
Eye, the, in sport, by Capt. W. B. Fry, reprint .. .. .	667	Fortescue, Lieut. A. I., record of a case of sleeping sickness in a European, clinical and other notes ..	530
		Fortescue, Lieut. A. I., registration of language proficiency, correspondence .. .. .	456
		Fortescue, Lieut. A. I., the Medical Department of the British Army, translation .. .. .	547

	PAGE		PAGE
Foster, Lieut. J. R., notes on cases shown at the weekly clinical meetings held at the Royal Herbert Hospital, Woolwich, clinical and other notes .. .. .	294	Hæmorrhage, intraperitoneal, from a ruptured tubal pregnancy, by Capt. A. E. Weld, clinical and other notes	285
Fraser, Lieut. A. D., and Major W. S. Harrison, typhoid bacilli and the water-bottle .. .. .	183	Haines, Lieut.-Col. H. A., small incinerators .. .. .	34
French, Major H. C., syphilis in the Army, correspondence .. .. .	692	Harding, Capt. N. E., a case of atropine poisoning, clinical and other notes	185
Fry, Capt. W. B., the eye in sport, reprint .. .. .	667	Harding, Capt. N. E., the treatment of tapeworm, clinical and other notes .. .. .	290
Functional albuminuria, salts of calcium in, by Capt. A. O. B. Wroughton, clinical and other notes	82	Harrison, Major W. S., and Lieut. A. D. Fraser, typhoid bacilli and the water-bottle .. .. .	183
Geneva Convention, notes on the new, by Lieut.-Col. J. D. F. Donegan ..	520	Harrison, Major W. S., Lieut.-Col. W. B. Leishman, Major H. W. Grattan, and Lieut. R. G. Archibald, report on further experiments in connection with anti-typhoid inoculation .. .. .	583
Geneva Convention, the new, editorial	634	Harvey, Capt. F., note on the investigation of cattle disease in the Protectorate of Sierra Leone ..	41
<i>Glossina morsitans</i> (tsetse-fly), on a dark variety of the, from the Bahr-el-Ghazal province, by Major G. Dansey-Browning, clinical and other notes .. .. .	427	"Heart disease and the Service," Lieut.-Col. Cottell, R.A.M.C., on, by Lieut.-Col. R. R. H. Moore ..	144
Goats ill with Mediterranean fever, report on the, bought in April, 1906, and on the kids born of some of them at the Lazaretto, by Dr. T. Zammit	219	"Heart disease and the Service," some further remarks, by Lieut.-Col. R. C. Cottell .. .. .	257
Gonorrhœa, a note on the treatment of, by Capt. J. E. Hodgson .. ..	70	"Heart, diseases of the, text-book on," review of .. .. .	107
Graham, Capt. J. H. P., heart muscle failure .. .. .	150	Heart muscle failure, by Capt. J. H. P. Graham .. .. .	150
Graham, Lieut. J. H., records of anti-typhoid inoculation performed on the third battalion Coldstream Guards, September, 1906, to October, 1907, reports .. .. .	429	Heat-stroke, the relationship of the temperature and moisture of the atmosphere to the incidence of, by Major Leonard Rogers .. ..	25
Grattan, Major H. W., Lieut.-Col. W. B. Leishman, Major W. S. Harrison, and Lieut. R. G. Archibald, report on further experiments in connection with anti-typhoid inoculation .. .. .	583	Hepatic abscess, X-rays as an aid to the diagnosis and localisation of, by Major C. B. Lawson, clinical and other notes .. .. .	296
Gunter, Major F. E., further notes on surgical technique.. .. .	45	Hernia in the Services, the advisability of operation for recurrence of, by Major M. P. C. Holt .. ..	115
Gunter, Major F. E., review of the surgical operations performed at the Military Hospital, Curragh Camp, 1907, reports .. .. .	432	Hodgson, Capt. J. E., a note on the treatment of gonorrhœa .. .. .	70
Gymnasium, the medical officer, the recruit and the, by Lieut. A. C. Amy	474	Hodgson, Capt. J. E., wanted, a diagnosis, clinical and other notes ..	188
		Hole, Capt. Richard, simple form of tourniquet, a suggestion, correspondence .. .. .	113
		Holt, Major M. P. C., the advisability of operation for recurrence of hernia in the Services .. .. .	115

	PAGE		PAGE
Horrocks, Major W. H., and Major H. A. L. Howell, X-bodies found in the blood of human beings and animals .. .. .	351	International congress of hygiene, the, Berlin, September, 1907, by Lieut.-Col. W. B. Leishman ..	238, 393
Hospital ships, by Fleet-Surgeon E. B. Pickthorn .. .. .	459	Intraperitoneal hæmorrhage from a ruptured tubal pregnancy, by Capt. A. E. Weld, clinical and other notes	285
Hospitals, military, in France, instructions for construction of, current literature.. .. .	210	Jencken, Lieut.-Col. F. J., a suggestion for the Cancer Research Committee, clinical and other notes ..	90
House-fly, preliminary report on the habits, &c., of the common, as observed in the city of Liverpool, &c., by Robert Newstead, abstract ..	201	Jencken, Lieut.-Col. F. J., unusual sequela of chronic ear diseases, clinical and other notes .. ..	91
Howell, Major H. A. L., and Major W. H. Horrocks, X-bodies found in the blood of human beings and animals.. .. .	351	Kala-azar in the Anglo-Egyptian Sudan, by Capt. S. L. Cummins, clinical and other notes .. ..	174
Hudleston, Capt. W. E., notes on an epidemic of enteric fever .. ..	62	Kiddle, Major F., notes from Mount Abu, Rajputana, on some interesting cases, clinical and other notes ..	88
Hull, Capt. A. J., the uses of adrenalin in ophthalmic surgery .. ..	58	Kidney and spleen, rupture of the, report on a case of, by Major F. J. W. Porter, clinical and other notes ..	283
Hygiene in 1907, review of the progress of, by Lieut.-Col. A. M. Davies, reports .. .. .	542, 647	Kidney, movable, a case of, treated by nephrorrhaphy, by Capt. J. F. C. Mackenzie, clinical and other notes	422
Hygiene, the international congress of, Berlin, September, 1907, by Lieut.-Col. W. B. Leishman .. ..	238, 393	Kids, report on the goats ill with Mediterranean fever bought in April, 1906, and on the, born of some of them at the Lazaretto, by Dr. T. Zammit .. .. .	219
"Hygiene, the theory and practice of," review of .. .. .	330, 685	Kilkelly, Surg.-Lieut.-Col. C. R., a new pneumatic stretcher-carrier for motors and other vehicles, as fitted to the Osborne car, clinical and other notes .. .. .	412
Incinerators, small, by Lieut.-Col. H. A. Haines .. .. .	34	"Laboratory work, studies in," review of .. .. .	106
Indian mutiny, the Army Medical Department in the, current literature .. .. .	334	Lambkin, Col. F. J., syphilis in the Army, correspondence .. ..	568
Inoculation, anti-typhoid, records of, performed on the third battalion Coldstream Guards, September, 1906, to October, 1907, by Lieut. J. H. Graham, reports, .. .. .	429	Lambkin, Col. F. J., the present-day treatment of syphilis in England, reprint .. .. .	92
Inoculation, anti-typhoid, report on further experiments in connection with, by Lieut.-Col. W. B. Leishman, Majors W. S. Harrison and H. W. Grattan, and Lieut. R. G. Archibald .. .. .	583	Language proficiency, registration of, letter from J. R. W., correspondence	218
Instruments, the new regulation pocket case of, clinical and other notes ..	190	Language proficiency, registration of, letter from Lieut. A. I. Fortescue, correspondence .. .. .	456
"Insurance, life, and general practice," review of .. .. .	446	Language proficiency, registration of, letter from Lieut.-Col. J. E. Nicholson, correspondence .. ..	568
Interesting cases, notes from Mount Abu, Rajputana, on some, by Major F. Kiddle, clinical and other notes	88		

PAGE	PAGE		
Latrine, field, notes on the new, by Lieut. R. G. H. Tate, clinical and other notes .. .. .	536	Malingering, some unusual cases of, and their elucidation, by Capt. F. E. Wood and Dr. W. B. Orme, clinical and other notes .. ..	634
Lawson, Major C. B., intraperitoneal rupture of an abnormal bladder, operation, recovery, clinical and other notes .. .. .	638	Malta, branch of the United Services Medical Society, report of the first general meeting of the, by Major C. E. Pollock, clinical and other notes ... .. .	539
