

INDEX TO VOLUME XI.

	PAGE		PAGE
Abscess of the lung secondary to abscess of the liver, by Major F. J. Morgan, clinical and other notes ..	599	Army and Navy Male Nurses' Co-operation, by Lieut.-Col. W. G. A. Bedford	298
African tick fever, a personal experience, by Capt. A. C. H. Gray ..	49	Army Medical Service, Chinese, current literature.. .. .	106
Age, military, in some of the European States, increase of height in, current literature	429	Army organisation, a retrospect, by Lieut.-Col. W. A. Morris	142
Ambulance stretcher springs, by Major S. F. Clark, clinical and other notes	180	Arrow poisons in German African colonies, current literature	105
"Ambulance work, questions and answers upon," review of	100	"Aseptic surgery," review of	207
Anæsthesia, army medical equipment for, in field and peace service, current literature.. .. .	318	"Asthma, hay; hay fever," review of	311
Analgesia, spinal, in Sierra Leone, by Capt. J. W. H. Houghton	117	Baker, C. J., sleeping sickness, correspondence	222
Aneurism of the innominate artery, by Major D. Lawson, clinical and other notes	172	Balsam of Peru, the treatment of scabies by, letter from Lieut.-Col. J. B. Buchanan, correspondence ..	225
Anthrax bacilli, excretion of, in milk, by Major W. H. Horrocks	46	Balsam of Peru, the treatment of scabies by, letter from Major F. J. W. Porter, correspondence	115
Antitétanic serum, notes on the necessity of providing field medical units with, current literature	638	Bateman, Capt. H. L., and Capt. A. E. Hamerton, D.S.O., study of biting flies, with special reference to the Genus <i>Glossina</i>	24
Anti-typhoid vaccine, third report on experiments in connection with, by Lieut.-Col. W. B. Leishman, Major W. S. Harrison, Major H. W. Grattan, Capt. A. L. A. Webb, and Capt. J. C. Kennedy	327	Bearer company, a mounted, by Major S. F. Clark, clinical and other notes	519
Ants, white, as a delicacy, letter from Capt. J. H. Douglass, correspondence	648	Bedford, Lieut.-Col. W. G. A., the Army and Male Nurses' Co-operation	298
Apothecaries in France, reduction of military, current literature.. ..	318	Bedside table, a new pattern of, for India, by Lieut.-Col. H. Carr, clinical and other notes	309
"Appendix, when to operate in inflammation of the," review of	634	Begbie, Major F. W., the buried cities of Ceylon	626
Archer, Capt. G. J. S., a case of gastro-jejunosotomy, clinical and other notes	300	Beveridge, Major W. W. O., a recent method for the direct determination of water in foods, &c.	250
Archer, Capt. G. J. S., a case of nerve injury for diagnosis, clinical and other notes	174	Birt, Lieut.-Col. C., experimental investigation of "simple continued fever"	566
		Biting flies, study of, with special reference to the Genus <i>Glossina</i> , by Capt. A. E. Hamerton, D.S.O., and H. R. Bateman	24

	PAGE		PAGE
Blackham, Major R. J., the micro-organisms of dysentery	582	Cardiac bruit, an artificially produced, by Capt. N. E. Harding, clinical and other notes	91
Blackham, Major R. J., the Red Cross of Geneva	368	Cardiac bruit, artificially produced, letter from Capt. P. Davy, correspondence	434
Blackwater fever, its treatment as seen in Nyasaland (the Hearsey treatment), with suggestions on causation prophylaxis, a note on, by Capt. and F. H. Hardy	136	Carr, Lieut.-Col. H., a new pattern of bedside table for India, clinical and other notes	309
Blackwater fever, the Hearsey treatment of, letter from Capt. D. S. Skelton, correspondence	435	Carr, Lieut.-Col. H., some further notes on dieting in station hospitals in India, clinical and other notes ..	84
Blue tongue, report on the sheep disease known as, current literature	645	Cartilage for recurrent dislocation, further report on twenty-eight cases of partial removal of internal semilunar, by Major F. J. W. Porter, clinical and other notes	511
Bombay Medical Congress, 1909, clinical and other notes	77	Castellani, Aldo, sleeping sickness, correspondence	222
Bousfield, Capt. L., Malta fever in the Sudan, clinical and other notes ..	596	"Cataract extraction," review of ..	424
Bracket for irrigators used in venereal wards, by Lieut.-Col. J. A. B. Daly	90	Ceylon, the buried cities of, by Major F. W. Begbie	626
Bracket for irrigator, by Lieut.-Col. Brazier Creagh, clinical and other notes	608	Chinese Army Medical Service, current literature	106
Bradley, Capt. C. R. Sylvester, the care of the feet in the German Army, clinical and other notes	77	Churton, Capt. J. E., a method of finding and separating out the sac of an inguinal hernia, clinical and other notes	603
Brazier Creagh, Lieut.-Col., bracket for irrigator, clinical and other notes	608	Clark, Major S. F., ambulance stretcher springs, clinical and other notes ..	180
Brown, Capt. R. T., examination of water on field service	129	Clark, Major S. F., a mounted bearer company, clinical and other notes	519
Bruce, Sir Charles, some imperial aspects of the study of tropical medicine	164	Clark, Major S. F., a camp kitchen tent, clinical and other notes ..	521
Bruce, Col. Sir David, resignation of, as Editor	70	"Clinical lectures on the surgical diseases of the urinary organs," review of	204
Buchanan, Lieut.-Col. J. B., the treatment of scabies by balsam of Peru, correspondence	225	"Clinical methods: a guide to the practical study of medicine," review of	539
"Bullets in the human body and the healing of wounds over lodged bullets, on the lodging of direct or ricochet," review of	426	Common flies in India, a further note on the ways of, by Major F. Smith, D.S.O.	56
Bullock, Lieut. T. W., scale of rations for the West India Regiment on active service, report.. .. .	409	Congress, the Bombay Medical, 1909, clinical and other notes	77
Calthrop, Capt. E. F., the national physique and its influence on national greatness, translation ..	199	Contrast, a, letter from Capt. J. H. Douglass, correspondence	325
Camps in India, sanitation of standing, by Lieut.-Col. F. W. Caton Jones, clinical and other notes	79	<i>Cordylobia anthropophaga</i> (Tumb-fly), letter from Capt. F. H. Hardy, correspondence	113
		Corker, Col. T. M., training in sanitation in the Scottish Command, reprint	184

	PAGE		PAGE
Crawford, Major G. S., the prevention of infantile enteritis in Malta, clinical and other notes	306	Disinfection of urinals, current literature	209
Daly, Lieut.-Col. J. A. B., bracket for irrigators used in venereal wards, clinical and other notes	90	Disposal of medical services during operations, letter from Major F. J. Porter, correspondence	326
Davies, Lieut.-Col. A. M., on military prison dietaries	556	Donaldson, Lieut.-Col. J., severe complications arising during a case of enteric fever, clinical and other notes	518
Davy, Capt. P., artificially produced cardiac bruit, correspondence ..	434	Dorgan, Capt. J., prevention of venereal disease	123
Deane, Lieut.-Col. H. E., a plea for a more detailed study of the soldier's heart	381	Douglass, Capt. J. H., white ants as a delicacy, correspondence	648
"Death and its verification," review of	539	Douglass, Capt. J. H., contrast, correspondence	325
Dental equipment in German garrison hospitals, current literature	433	Dressings for [the French army, new field, current literature	538
Dental service in the field, the German regulations for a, current literature	645	Dressings, first field, of different countries, current literature	319
Destructor for cantonment and camps, an improved form of improvised refuse, by Lieut.-Col. A. E. Morris, clinical and other notes	305	"Drill regulations, and outlines of first aid for the hospital corps, United States, America," review of	426
Diarrhœa on field service, liquor hydrargyri perchloridi in the treatment of, by Major N. Faichnie, clinical and other notes	405	Duncan, Lieut.-Col. Andrew, I.M.S., remarks on some recent theories on the action of heat in the Tropics ..	71
Dietaries, on military prison, by Lieut.-Col. A. M. Davies	555	Durrant, Lieut.-Col., R. J. A., two cases of ptomaine poisoning, clinical and other notes	88
DiETING in station hospitals in India, some further notes on, by Lieut.-Col. H. Carr, clinical and other notes	84	Dysentery, the micro-organisms of, by Major R. J. Blackham	582
"Diets in tuberculosis, principles and economics," review of	206	Editorship, resignation of Col. Sir David Bruce	70
"Disease, an essay upon, its cause and prevention," review of	101	"Electric ions and their use in medicine," review of	310
"Disease, international and national measures for the prevention of," review of	316	Enteric, correction on, remarks reported on, in West Africa, letter from Major H.W. Grattan, correspondence	650
Disease in Panama and Cuba, some practical points in the prevention of, by Lieut.-Col. W. G. Macpherson ..	277	Enteric fever, a case of peritonitis without perforation in, operation—recovery, by Capt. S. M. W. Meadows, clinical and other notes ..	170
Disease-carrying insects, an introduction to methods of studying the morbid histology of, by Capt. A. E. Hamerton	243	Enteric fever, a note on the "traitement à vide" of, by Major H. P. Johnson, clinical and other notes ..	402
"Diseases of the thorax and abdomen, physical signs of," review of	425	Enteric fever, severe complications arising during a case of, by Lieut.-Col. J. Donaldson	518
Diseases of the troops and animals of Sierra Leone, report on, by Capt. P. Harvey	1, 145	Enteric fever, spread of, by wash-down closets, by Capt. S. de C. O'Grady, clinical and other notes	84
"Diseases of the spinal cord," review of	312	Enteric incidence in India, and its lessons, letter by Lieut.-Col. R. H. Firth, correspondence	650

	PAGE		PAGE
Enteric incidence in India, and its lessons, by Lieut.-Col. G. S. Thomson, I.M.S.	486	Field medical units with antitetanic serum, notes on the necessity of providing, current literature . .	638
Enteritis, the prevention of infantile, in Malta, by Major G. S. Crawford, clinical and other notes	306	Field service, examination of water on, by Capt. R. T. Brown	129
Entomological collection at the Royal Army Medical College, by Lieut.-Col. N. Manders, clinical and other notes	91	Filter, grease, a simple form of, for cook-houses in India, by Lieut.-Col. A. E. Morris, clinical and other notes	175
"Epidemiology, Advisory Board in France for military hygiene and," review of	318	"Firearms, wounds caused by modern," review of	103
Equipment, army medical, for anaesthesia in field and peace service, current literature	318	"First aid, drill regulations and outlines of, for the hospital corps, United States," review of	426
Equipment, dental in German garrison hospitals, current literature . .	433	"First aid to the injured and sick," review of	100
