

INDEX TO VOLUME IV.

	PAGE		PAGE
Abdomen, a <i>post-mortem</i> examination in a fatal case of bullet wound of the, by G. L. Cheatle, C.B., F.R.C.S.	1	Analgesia, local, by Capt. J. W. Houghton, R.A.M.C.	447
Abdomen, bullet wound of the, a <i>post-mortem</i> examination in a fatal case of, letter from G. Lenthal Cheatle, C.B., F.R.C.S., correspondence . .	411	Anderson, Dr. T., letter from, preparation for prevention of mosquito bites	840
Abdominal disorder, chronic, a case of, by Major G. Cree, R.A.M.C., clinical notes	804	Aneurysm, a case of inguinal: ligature of external iliac: cure, by Major M. P. Holt, D.S.O., R.A.M.C., clinical notes	75
Abscess of the liver, a case of, complicated by a biliary fistula after operation, by Capt. H. Ensor, D.S.O., R.A.M.C., clinical notes	216	Aneurysm, traumatic, two cases of, from gunshot wounds, by Major J. Barnett Wilson, clinical notes . .	513
Abscess of the liver, the treatment of: its dangers and difficulties, by Lieut.-Col. R. R. H. Moore, R.A.M.C.	151	Ankylostomiasis, a case of, by Lieut.-Col. D. O'Sullivan, R.A.M.C., clinical notes	650
Active immunisation of experimental animals with typhoid cell juices, upon the, by Lieut. A. B. Smallman, R.A.M.C.	424	Ankylostomum, the, the strongylus, the tricocephalus, the ascaris, and an associated infusorian in West Africa—chiefly in regard to military inefficiency, by Major F. Smith, D.S.O., R.A.M.C.	6, 189, 335
Actinomycosis, a case of, by Capt. F. F. Carroll, R.A.M.C., clinical notes	655	Antipodes, a trip to the, by Col. J. M. Beamish, R.A.M.C., philosophy, travel, &c.	66
Acute dysentery, administration of ipecacuanha in, by Major R. J. Windle, R.A.M.C., clinical notes . .	362	Anti-typhoid inoculation, Advisory Board for Army Medical Services . .	242
Addison's disease, brief account of a case of, by Major C. T. Blackwell, R.A.M.C., clinical notes	212	Army Vaccine Institute, annual report for the year ending March 31, 1905	812
Adrenalin, treatment by, of condition resulting from exposure to solar heat, current literature	832	Arsenic, action of, and trypanroth, on <i>Trypanosoma gambiense</i> , current literature	538
Aldridge, Major A. R., R.A.M.C., with the Tibet mission force, philosophy, travel, &c.	285	Arsenic, poisoning by, notes on twenty-eight cases of, by Capt. S. T. Beggs, R.A.M.C.(M.), clinical notes . .	647
Allen, Major S. G., R.A.M.C., varicocele as a cause of rejection of recruits for the army	129	Arterio-venous aneurysm of the neck, further history of five cases of, by G. H. Makins, C.B., F.R.C.S. . . .	741
Ambulance transport in Manchuria . .	392	Austin, Major R. F. E., R.A.M.C., treatment of chronic middle-ear suppuration	168
Ambulatory typhoid, an obscure case of, by Lieut.-Col. N. H. Forman and Capt. R. Selby, R.A.M.C., clinical notes	77	Aylen, Lieut. E. V., R.A.M.C., unusual case of dislocation of the clavicle, clinical notes	211

	PAGE		PAGE
Backward dislocation of knee, by Lieut.-Col. A. B. Cottell, R.A.M.C. (R.), clinical notes	353	Burke, Capt. B. B., R.A.M.C., latrine infection in the spread of enteric fever	46
Beamish, Col. J. M., R.A.M.C., a trip to the Antipodes, philosophy, travel, &c.	86	Camp refuse, simple method of disposal of, by Capt. L. W. Harrison, R.A.M.C., abstract	100
Beggs, Capt. S. T., R.A.M.C.(M.), notes on twenty-eight cases of poisoning by arsenic, clinical notes	647	Caries dentine in the Army, by Lieut.-Col. J. G. MacNeece, R.A.M.C.	51
Béraneck's tuberculin in the treatment of pulmonary phthisis, current literature	114	Cataract, series of operations for the extraction of, by Capt. D. J. Collins, R.A.M.C.	125
Beri-beri, observations on, by Major H. E. Winter, R.A.M.C.	178	Carroll, Capt. F. F., R.A.M.C., a case of actinomycosis, clinical notes	655
Bermuda, report on the prevalence of enteric fever in, by Major J. W. Cockerill, R.A.M.C.	762	Cataract, traumatic, case of, due to lightning stroke, by Major J. C. Morgan, R.A.M.C., clinical notes ..	210
Birt, Lieut.-Col. C., R.A.M.C., and Major E. Eckersley, R.A.M.C., the flagella of dysentery bacilli	138	Cerebellum, abscess of, a case of, secondary to abscess of the liver, by Major J. Buchanan, R.A.M.C., clinical notes	206
Blackham, Capt. R. J., R.A.M.C., employment of N.C.O.'s as sanitary inspectors, clinical and other notes ..	807	Cheatle, G. Lenthal, C.B., F.R.C.S., letter from, a <i>post-mortem</i> examination in a fatal case of bullet wound of the abdomen, correspondence ..	411
Blackham, Capt. R. J., R.A.M.C., varicocele as a military disability ..	132	Cheatle, G. L., C.B., F.R.C.S., <i>post-mortem</i> examination in a fatal case of bullet wound of the abdomen ..	1
Blackwell, Major C. T., R.A.M.C., brief account of a case of Addison's disease	212	Children's teeth, Army, the care of, by A. F. A. Howe, clinical notes ..	656
Bladder, ruptured, case of, complicated by alcoholic poisoning, by Capt. S. W. Sweetnam and Lieut. F. C. Lambert, R.A.M.C., clinical notes ..	517	China, North, notes made during a tour of special service in, in 1894-1895 (China-Japanese War), by Col. H. E. R. James, R.A.M.C.	16
Blennerhassett, Col. B. M., R.A.M.C., the Homburg treatment for Anglo-Indians, philosophy, travel, &c.	230	Clavicle, dislocation of, unusual case of, by Lieut. E. V. Aylen, R.A.M.C., clinical notes	211
Brannigan, Major J. H., R.A.M.C., case of chronic hydrocele treated by operation, "open method," clinical notes	806	"Clinical and pathological observations on acute abdominal diseases," by E. W. Corner, M.B., &c., review of	261
Browne-Mason, Capt. H., R.A.M.C., a case of malaria (malignant tertian) complicated with temporary aphasia, clinical notes	648	"Climate and health in hot countries," by Lieut.-Col. G. M. Giles, I.M.S. (R.), review of	686
Buchanan, Major J. B., R.A.M.C., a case of abscess of cerebellum, secondary to abscess of the liver, clinical notes	206	Cockerill, Major J. W., R.A.M.C., report on the prevalence of enteric fever in Bermuda	762
Bullet wound of skull, by Capt. J. F. Martin, R.A.M.C., clinical notes ..	353	Collins, Capt. D. J., R.A.M.C., notes on a series of operations for the extraction of cataract	125
Bullet wound of the abdomen, a <i>post-mortem</i> examination in a fatal case of, letter from G. Lenthal Cheatle, C.B., F.R.C.S., correspondence ..	411	Collins, Capt. D. J., R.A.M.C., school hygiene in relation to vision ..	184

	PAGE		PAGE
"Compounding and dispensing made easy," by Lieut. H. H. Scott, R.A.M.C., review of	111	Discipline companies in the French Army, current literature	404
Contact breaker, note on Cox's new platinum, for use with spark coils, by Surg.-Gen. W. F. Stevenson, C.B., K.H.S., R.A.M.C.	421	Double and simultaneous infection by the organisms of enteric and of Malta fever, a case of, by Capt. J. C. Kennedy, R.A.M.C., clinical notes	364
Costal cartilages, foreign body under the, by Lieut.-Col. W. Dick, R.A.M.C., clinical notes	361	Duties in barracks in peace time, our, by Capt. E. B. Knox, R.A.M.C.	440
Cottell, Lieut.-Col. A. B., R.A.M.C. (R.), backward dislocation of knee, clinical notes	353	Dysentery bacilli, the flagella of, by Lieut.-Col. C. Birt, and Major E. Eckersley, R.A.M.C.	138
Cottell, Lieut.-Col. A. B., R.A.M.C. (R.), water conservancy in war	174	Dysentery, spirillary, current literature	688
Cranial injury, report on an obscure case of, by Lieut. H. H. Scott, R.A.M.C.	143	Eckersley, Major E., R.A.M.C., and Lieut.-Col. C. Birt, R.A.M.C., the flagella of dysentery bacilli	138
Crete as a station, with a mosquito campaign conducted there in 1903, by Major C. J. MacDonald, R.A.M.C.	31	Editorial: blood-sucking insects and tropical diseases	222
Crisp, Capt. C. B., R.A.M.C., and Lieut.-Col. G. H. Sylvester, R.A.M.C., Zittman's treatment for syphilis	475	Editorial: review of research work done by the R.A.M.C. in 1904	219
Cree, Major G., R.A.M.C., a case of chronic abdominal disorder, clinical notes	804	Editorial: the sterilisation of drinking water for troops in the field	349
Cree, Major G., R.A.M.C., a case of ovariectomy performed at the Military Families Hospital, Devonport, clinical notes	805	Edye, Major J. S., R.A.M.C., a few notes on enteric fever	303
Davies, Lieut.-Col. A. M., R.A.M.C., the direct transmission of enteric fever, and its prevention by the "stamping out" method	587, 693	Embolism of the pulmonary artery, a fatal case of, after the operation of excision of varicose veins, by Lieut.-Col. G. H. Sylvester, R.A.M.C., clinical notes	215
Dentures, should soldiers be supplied with? by Major H. P. Johnson, R.A.M.C.	60	Ensor, Capt. H., D.S.O., R.A.M.C., a case of abscess of the liver, complicated by a biliary fistula after operation, clinical notes	216
Development, &c., of X-ray negatives, hints for beginners on the, by H. Henry (late R.A.M.C.)	418	Enteric fever, a few notes on, by Major J. S. Edye, R.A.M.C.	303
Development of the Leishman body in cultivation, the, by Major W. B. Leishman and Capt. J. C. B. Statham, R.A.M.C.	321	Enteric fever among the <i>personnel</i> of No. 4 General Hospital, Mooi River, Natal, report on, with reference to drinking water filtration, by Lieut.-Col. H. H. Johnston, C.B., R.A.M.C.	488
Direct transmission of enteric fever, and its prevention by the "stamping out" method, by Lieut.-Col. A. M. Davies, R.A.M.C.	587, 693	Enteric fever in Bermuda, report on the prevalence of, by Major J. W. Cockerill, R.A.M.C.	762
"Dispensing and compounding made easy," by Lieut. H. H. Scott, R.A.M.C., review of	111	Enteric fever, local influences in, and their investigation, by Lieut.-Col. R. J. S. Simpson, C.M.G., R.A.M.C.	413
		Enteric fever infection, unusual cause of, by Lieut.-Col. R. H. Firth	55
		Enteric fever, the direct transmission of, and its prevention by the "stamping out" method, by Lieut.-Col. A. M. Davies, R.A.M.C.	587, 693

	PAGE		PAGE
Enteric fever, the importance of latrine infection in the spread of, by Capt. B. B. Burke, R.A.M.C.	46	Gonorrhoea, the treatment of, by Major C. E. Pollock, R.A.M.C.	797
Enteric, the spread of, by latrine infection, by Col. R. H. Quill, R.A.M.C., clinical and other notes	809	Greig, Capt. E. D. W., I.M.S., letter from, trypanosomiasis at the south end of Lake Victoria, correspondence	123
Epidemiology, an interesting quest, by Major C. Garner, R.A.M.C.	610	Gunshot wounds of the skull, perforating, notes on seven cases of, by Major G. E. Moffet, R.A.M.C.	496
Experimental sleeping sickness in a monkey, report on a case of, by Capt. D. Harvey, R.A.M.C.	621	Hæmoglobinuric fever and quinine, current literature	117
Extraction of cataract, series of operations for the, by Capt. D. J. Collins, R.A.M.C.	125	Haines, Lieut.-Col. H. A., R.A.M.C., surgery of a Punjab tour	604
Fayrer, Major J., R.A.M.C., portal pyæmia, clinical notes	62	Hardy, Capt. H., R.A.M.C., letter from, spitting snakes, correspondence	120
Field dressings in the Russian Army in Manchuria, materials used for, and wounds caused by the Japanese rifle, current literature	688	Harrison, Capt. W. L., R.A.M.C., a simple method of disposal of camp refuse, abstract	100
Firth, Lieut.-Col. R. H., R.A.M.C., note on an unusual cause of enteric fever infection	55	Harrison, Capt. W. S., R.A.M.C., on a modification of Wright's method for counting the bacteria contained in a culture	313
Firth, Lieut.-Col. R. H., R.A.M.C., the progress in hygiene and preventive medicine during 1904	269	Harvey, Capt. D., R.A.M.C., report on a case of experimental sleeping sickness in a monkey	621
Foreign body under the costal cartilages, by Lieut.-Col. W. Dick, R.A.M.C., clinical notes	361	Healey, Major G. W. R., R.A.M.C., sarcoma of liver and pancreas, clinical notes	362
Forman, Lieut.-Col. N. H., R.A.M.C. and Capt. R. Selby, R.A.M.C., an obscure case of ambulatory typhoid, clinical notes	77	Henry H. (late R.A.M.C.), hints for beginners on the development, &c., of X-ray negatives	418
Forrest, Major J. R., R.A.M.C., the R.A.M.C. for India	58	Holt, Major M. P., D.S.O., R.A.M.C., a case of inguinal aneurysm, clinical notes	75
Framboesia at Pondicherry, current literature	117	Homburg treatment for Anglo-Indians, by Col. B. M. Blennerhassett, R.A.M.C., philosophy, travel, &c.	230
France, return medical visit to	836	Howe, A. F. A., dental surgeon, the care of Army children's teeth, clinical notes	656
French, Captain H. C., R.A.M.C., malignant syphilis	477	Humerus, rare case of fracture of the, by Capt. F. J. Palmer, R.A.M.C., clinical notes	512
Fuhr, Capt. R. W., R.A.M.C., letter from, spitting snakes, correspondence	540	Hydrocele, case of chronic, treated by operation, "open method," by Major J. H. Brannigan, R.A.M.C., clinical notes	806
Garner, Major C., R.A.M.C., epidemiology, an interesting quest	610	Hygiene and preventive medicine during 1904, the progress in, by Lieut.-Col. R. H. Firth, R.A.M.C.	269
"Geological Magazine," review of, article on the geology of the Tochi valley	109	Ievers, Major P. G., R.A.M.C. (R.), sanitary notes for recruits	160
German field medical organisation in war, translation	241		
Goggin, Lieut.-Col. G. T., R.A.M.C., letter from, railway sanitation, correspondence	840		

	PAGE		PAGE
Inguinal aneurysm, a case of, by Major M. P. Holt, D.S.O., R.A.M.C., clinical notes	75	Lambert, Lieut. F. C., R.A.M.C., and Capt. S. W. Sweetnam, R.A.M.C., case of ruptured bladder complicated by alcoholic poisoning, clinical notes	517
Ipecacuanha, on the administration of, in acute dysentery, by Major R. J. Windle, R.A.M.C., clinical notes	362	Latrine infection in the spread of enteric fever, the importance of, by Capt. B. B. Burke, R.A.M.C. ..	46
James, Col. H. E. R., R.A.M.C., notes made during a tour of special service in North China in 1894-1895 ..	16	Latrine infection, the spread of enteric by, by Col. R. H. Quill, R.A.M.C., clinical and other notes	809
Japanese hospital ships, abstract, by Lieut.-Col. J. E. Nicholson, R.A.M.C. (R.)	399	Leishman body in cultivation, the development of the, by Major W. B. Leishman and Capt. J. C. B. Statham, R.A.M.C.	321
Japanese hospitals in war time, extract	104	Leishman body, note on the cultivation of, by Capt. J. C. B. Statham, R.A.M.C.	13
Japanese rifle, wounds caused by the, and materials used for field dressings in the Russian army in Manchuria, current literature	688	Leishman, Major W. B., R.A.M.C., and Capt. J. C. B. Statham, R.A.M.C., the development of the Leishman body in cultivation	321
Japanese rifle, wounds caused by the, current literature	405	Life, the origin of, by Lieut.-Col. Bruce Skinner, R.A.M.C., philosophy, travel, &c. 80, 223, 381, 661,	813
Japanese soldier, note on the physical development of the, and the method of examining recruits, current literature	535	Liver abscess, cases of, admitted to Station Hospital, Cairo, 1898-1903, clinical notes, by Lieut.-Col. C. R. Woods, R.A.M.C.	68
Johnson, Major H. P., R.A.M.C., should soldiers be supplied with dentures?	60	Liver abscess, the treatment of, by Lieut.-Col. R. R. H. Moore, R.A.M.C.	151
Johnston, Lieut.-Col. H. H., C.B., R.A.M.C., report on enteric fever among the <i>personnel</i> of No. 4 General Hospital, Mooi River, Natal, with reference to drinking water filtration	488	Liver abscess, with secondary abscess in the brain, a case of, by Capt. T. B. Unwin, R.A.M.C., clinical notes ..	73
Kamerun, West Africa, pathology of tropical disease in, current literature	834	Local analgesia, by Capt. J. W. Houghton, R.A.M.C.	447
Kennedy, Capt. J. C., R.A.M.C., a case of double and simultaneous infection by the organisms of enteric and of Malta fever, clinical notes	364	Local analgesia, employment of suprarenal capsule extracts for producing, current literature	267
Kennedy, Capt. J. C., R.A.M.C., Malta fever in the military hospital, Valletta, Malta, during the years 1897 to 1904	634	Local influences in enteric fever, and their investigation, by Lieut.-Col. R. J. S. Simpson, C.M.G., R.A.M.C.	413
Knee, backward dislocation of, by Lieut.-Col. A. B. Cottell, R.A.M.C. (R.), clinical notes	353	Luce, Capt. R. H., R.A.M.C. (V.), a portable trolley for use with the regulation stretcher in the field ..	164
Knox, Capt. E. Blake, R.A.M.C., some medical notes on war, our duties on mobilisation	580	Macdonald, Major C. J., R.A.M.C., mosquito campaign in Crete in 1903	31
Knox, Capt. E. Blake, R.A.M.C., some medical notes on war, our duties in barracks in peace time	440	MacNeece, Lieut.-Col. J. G., R.A.M.C., caries dentine in the Army	51
		Madagascar, malaria in, in 1903, the campaign against, current literature	113
		Madagascar, paludism in, current literature	268

	PAGE		PAGE
Makins, G. H., C.B., F.R.C.S., further history of five cases of arterio-venous aneurysm of the neck	741	Moore, Lieut.-Col. R. R. H., R.A.M.C., the treatment of abscess of the liver	151
Malaria at Mount Auriol, Freetown, a note on, by Capt. L. F. Smith, R.A.M.C.	182	Morgan, Major J. C., R.A.M.C., case of traumatic cataract, due to lightning stroke, clinical notes	210
Malaria in Madagascar in 1903, the campaign against, current literature	113	Mosquito bites, preparation for prevention of, letter from Dr. T. Anderson, correspondence	840
Malaria (malignant tertian), a case of, complicated with temporary aphasia, by Capt. H. Browne-Mason, R.A.M.C., clinical notes	648	Mosquito campaign in Crete in 1903, by Major C. J. MacDonald, R.A.M.C.	31
Malaria, researches on, by Major Ronald Ross, C.B., F.R.S., D.Sc. 450, 541,	705	Muscular dystrophy, unusual case of, by Lieut. W. C. Rivers, R.A.M.C., clinical notes	207
Malarial campaign in the Soudan, 1904, the, by Major R. H. Penton, D.S.O., R.A.M.C.	628	N.C.O.'s as sanitary inspectors, the employment of, by Capt. R. J. Blackham, R.A.M.C., clinical and other notes	807
Malignant syphilis, by Capt. H. C. French, R.A.M.C.	477	Nichol, Lieut.-Col. C. E., D.S.O., R.A.M.C., Ranikhet and the districts of Kumaon and Garhwal, philosophy, travel, &c.	369, 520
Malta fever in the Military Hospital, Valletta, Malta, during the years 1897 to 1904, by Capt. J. C. Kennedy, R.A.M.C.	634	Nicholson, Lieut.-Col. J. E., R.A.M.C. (R.), the Japanese hospital ships, abstract	399
