

## INDEX TO VOL. V.

	PAGE		PAGE
Abscess of brain, notes of a case of, temporo-sphenoidal, following otitis media, by Major C. W. H. Whitestone, R.A.M.C., clinical and other notes .. .. .	517	Anti-malarial operations at Mian Mir, by Captain E. P. Sewell, R.A.M.C., clinical and other notes .. .. .	213
Abscess of liver, a case of, by Major J. B. Buchanan, R.A.M.C., clinical and other notes .. .. .	639	Archer, Capt. G. J. S., R.A.M.C., a lecture on hygiene .. .. .	741
Addams-Williams, Capt. L., R.A.M.C., fracture of cervical vertebra, clinical and other notes .. .. .	405	Army schools, the hygienic condition of, by Major H. P. G. Elkington, R.A.M.C. .. .. .	598
Additional plea for the recruit, an, by Lieut.-Col. E. Fairland, R.A.M.C. (R.) .. .. .	397	Army Surgeon, French, the Sandhurst of the, by Capt. J. C. B. Statham, R.A.M.C., travel .. .. .	734
Advisory and nursing boards, abstract of conjoint report of the, containing a scheme to develop the training of orderlies of the R.A.M.C. .. .. .	292	Arrow poison, Fra Fra, further report of experiments upon the, by A. J. Chalmers, Assistant Colonial Surgeon .. .. .	213
Afghan campaigns of 1878-79-80, personal recollections of the, by Surgeon-General G. J. H. Evatt, C.B., A.M.S. (R.) echoes from the past .. .. .	276, 412, 533	Arrow poison, used by the Fra Fra, report on the, by Dr. P. J. Garland, Assistant Colonial Surgeon .. .. .	113
Allen, Major Glenn, R.A.M.C., description of a simple and readily portable form of excreta and sullage water steriliser, adapted for use in military hospitals, &c. .. .. .	606	Austin, Major R. F. E., R.A.M.C., letter from, physiological exercises for misused voices, correspondence .. .. .	310
Ambulance train, notes on the sanitary arrangements on an, by Major J. J. Gerrard, R.A.M.C., clinical and other notes .. .. .	265	Austin, Major R. F. E., R.A.M.C., physiological exercises for misused voices, clinical and other notes .. .. .	134
Ambulance work in hill warfare from front to base, by Capt. G. B. Carter, R.A.M.C. .. .. .	509	<i>B. coli communis</i> , the duration of vitality of, in various waters, and in sewage, by Major J. G. McNaught, R.A.M.C. .. .. .	95
Amoebic dysentery, current literature .. .. .	306	Battersby, Lieut.-Col. J., R.A.M.C., an additional plea for the recruit, correspondence .. .. .	764
Anæsthetics, note on the administration of, by N.C.O.'s of the R.A.M.C., by Capt. F. E. Gunter, R.A.M.C., correspondence .. .. .	765	Begg, Dr. Charles, sprue and spurious dysentery .. .. .	119
"Anglo - Abyssinian expeditionary force," by Major J. W. Jennings, D.S.O., R.A.M.C., review of .. .. .	651, 751	Beri-beri, the prophylaxis and treatment of, by the seeds of <i>Phaseolus radiatus</i> , current literature .. .. .	432
		Bermuda, enteric fever in, report of the prevalence of, by Major J. W. Cockerill, R.A.M.C. (R.) .. .. .	663
		Beveridge, Major W. W. O., D.S.O., R.A.M.C., notes on a complication of acute dysentery, clinical and other notes .. .. .	726

	PAGE		PAGE
Bilharzia hæmatobia, contracted in England, a case of, by Major N. Faichnie, R.A.M.C., clinical and other notes .. .. .	638	Candia, malarial fever in, by Captain R. A. Cunningham, R.A.M.C., clinical and other notes .. ..	274
Bilharzia hæmatobia, contracted in England, a case of, by Major E. C. Freeman, R.A.M.C., clinical and other notes .. .. .	145	Carr, Capt. C. H., R.A.M.C., a case of fracture of the left patella, clinical and other notes .. .. .	725
Birrell, Capt. E. T. F., R.A.M.C., wild beast characteristics, travel .. ..	641	Carter, Capt. G. B., R.A.M.C., ambulance work in hill warfare from front to base .. .. .	509
Birt, Lieut.-Col. C., R.A.M.C., the selective action of caffeine on colon, dysentery and typhoid bacilli, clinical and other notes .. .. .	731	Cervical vertebra, fracture of, by Capt. L. Addams-Williams, R.A.M.C., clinical and other notes .. ..	405
Black, Surgeon-Major W. T., medical department (R.), reminiscences, Army Medical Service, travel, &c. ..	157	Chalmers, A. J., Assistant Colonial Surgeon, further report of experiments upon the Fra Fra arrow poison .. .. .	213
Blackwater fever studies, a note on, by Major F. Smith, D.S.O., R.A.M.C., and Captain L. F. Smith, R.A.M.C.	701	Cheatle, G. Lenthal, C. B., F.R.C.S. Eng., the microscopical appearances of bullet wounds in the skin .. ..	579
Blood changes, the, following typhoid inoculation, by Lieut.-Col. W. B. Leishman, R.A.M.C. .. .. .	1	Chorea insaniens, by Capt. W. M. H. Spiller, R.A.M.C., clinical and other notes .. .. .	272
Blood-sucking insects, note on some of the, of the Mediterranean littoral, by Surgeons E. H. Ross and G. M. Levick, R.N. .. .. .	385	Christopherson, Dr. J. B., trypanosomiasis in the Egyptian Sudan, clinical and other notes .. ..	139
Bousfield, Lieut. L., R.A.M.C., and Capt. D. Harvey, R.A.M.C., note on the spirochætæ found in syphilis ..	263	Clapham, Capt. J. T., R.A.M.C. (H. P.), a note on hammer toe in the recruit, clinical and other notes	144
Bovine piroplasmiasis and spirillosis, the transmission of, by ticks, current literature .. .. .	305	Clapham, Capt. J. T., R.A.M.C. (H. P.), a note on tabes dorsalis ..	673
Brain, abscess of, notes of a case of, temporo-sphenoidal, following otitis media, by Major C. W. H. White-stone, R.A.M.C., clinical and other notes .. .. .	517	Cockerill, Major J. W., R.A.M.C. (R.) report on the prevalence of enteric fever in Bermuda .. .. .	663
"British sanatoria annual, the," 1905, review of .. .. .	570	Collins, Major D. J., R.A.M.C., a plea for an improved visual test for recruits .. .. .	715
Buchanan, Major J. B., R.A.M.C., a case of abscess of liver, clinical and other notes .. .. .	639	Collins, Major D. J., R.A.M.C., three cases of perforating wound of the globe of the eye, clinical and other notes .. .. .	722
Bullet wounds in the Russo-Japanese war, 1904-5, report of, translation ..	428	"Conjunctiva, the, in health and disease," by N. Bishop Harman, review of .. .. .	304
Bullet wounds in the skin, the microscopical appearances of, by G. Lenthal Cheatle, C.B., F.R.C.S.Eng. ..	579	Conservancy, sanitary organisation and, of an Army in the field, by Capt. E. Blake Knox, R.A.M.C. ..	616
Caffeine, selective action of, on colon, dysentery and typhoid bacilli, by Lieut.-Col. C. Birt, R.A.M.C., clinical and other notes .. ..	731	Copper as a means of purifying drinking water, on the value of, by Major C. E. P. Fowler, R.A.M.C. .. ..	391
		Cotton, Capt. F. W., R.A.M.C., notes on a case of round-celled sarcoma of the mediastinum; clinical and other notes .. .. .	402

	PAGE		PAGE
Cunningham, Capt. R. A., R.A.M.C., malarial fever in Candia, clinical and other notes .. .. .	274	Enteric fever, case of, complicated with diphtheria, death, by Lieut.-Col. H. H. Johnston, C.B., R.A.M.C., clinical and other notes .. .. .	400
Cyllin in the treatment of sprue, current literature.. .. .	578	Enteric fever in Bermuda, report on the prevalence of, by Major J. W. Cockerill, R.A.M.C. (R.) .. .. .	663
"Danger, the, of apparent death on the battlefield," by Dr. Icard, review of .. .. .	430	Enteric fever in Pietermaritzburg, the prevalence of, by Lieut.-Col. R. J. S. Simpson, C. M. G., R.A.M.C. .. .. .	54-196-351-492
Disordered action of the heart in soldiers, by Capt. J. McD. Mc Carthy, R.A.M.C., clinical and other notes .. .. .	630	Evatt, Surg.-Genl. G. J. H., A.M.S. (R.), personal recollections of the Afghan campaigns of 1878-79-80, echoes from the past.. .. .	276, 412, 533
Disposal of the sick and wounded of mounted troops, a system for the, by Lieut.-Col. H. Hathaway, R.A.M.C. .. .. .	70	Extermination of mosquitoes, &c., at Jolo, Philippine Islands, difficulties in the, current literature .. .. .	168
"Dissertation on the relative time of infection of the lungs and bronchial glands in guinea-pigs inoculated with tubercular material," by Lieut. H. W. Russell, R.A.M.C., review of .. .. .	430	Eye, perforating wound of the globe of the, three cases of, by Major D. J. Collins, R.A.M.C., clinical and other notes .. .. .	722
Dodd, Lieut.-Col. J. R., R.A.M.C., a case of septicæmia, clinical and other notes .. .. .	406	Faichnie, Major N., R.A.M.C., a case of bilharzia hæmatobia contracted in England, clinical and other notes .. .. .	638
Dum-Dum fever (kala-azar), a case of, by Lieut. J. McKenzie, R.A.M.C., clinical and other notes .. .. .	628	Fairland, Lieut.-Col. Edwin, R.A.M.C. (R), an additional plea for the recruit .. .. .	397
Duration of life of the <i>M. melitensis</i> outside the human body, on the, by Major W. H. Horrocks, R.A.M.C. . . . .	78	Ferguson, Capt. V., South Wales Borderers, the best method of transporting the wounded in Manchuria, translation .. .. .	647
Duties, our, in connection with troop trains, by Capt. E. Blake Knox, R.A.M.C. .. .. .	230	Fever, certain forms of, and the conditions bearing thereon, in the hill stations of Sierra Leone, by Major F. Smith, D.S.O., R.A.M.C. .. .. .	688
Dysentery, acute, notes on a complication of, by Major W. W. O. Beveridge, D.S.O., R.A.M.C., clinical and other notes .. .. .	726	Formaldehyde gas, the action of, on plague bacilli, current literature .. .. .	433
Elkington, Major H. P. G., R.A.M.C., the hygienic condition of Army schools .. .. .	598	Formaldehyde ointment, the treatment of sweating feet by, current literature .. .. .	433
Embarkation of invalids in transports, arrangements in the, Capt. N. J. C. Rutherford, R.A.M.C., clinical and other notes .. .. .	267	Fowler, Major C. E. P., R.A.M.C., on the value of copper as a means of purifying drinking water .. .. .	391
Enteric fever amongst young soldiers in India, the prevention of, by Major G. T. Rawnsley, R.A.M.C., clinical and other notes .. .. .	269	Fra Fra arrow poison, further report of experiments upon the, by A. J. Chalmers, Assistant Colonial Surgeon .. .. .	213
Enteric fever at Campbellpore, extracts from a report on the causation of an outbreak of, by Major H. B. Mathias, D.S.O., R.A.M.C. . . . .	749	Fra Fra, report on the arrow poison used by the, by Dr. P. J. Garland, Assistant Colonial Surgeon .. .. .	113
		Freeman, Major E. C., R.A.M.C., a case of bilharzia hæmatobia contracted in England, clinical and other notes .. .. .	145

	PAGE		PAGE
French Army Surgeon, the Sandhurst of the, by Capt. J. C. B. Statham, R.A.M.C., travel .. .. .	734	Gunter, Capt. F. E., R.A.M.C., rupture of the liver, clinical and other notes .. .. .	520
Garland, Dr. P. J., Assistant Colonial Surgeon, report on the arrow poison used by the Fra Fra .. .. .	113	Hammer toe in the recruit, a note on, by Capt. J. T. Clapham, R.A.M.C. (H.P.), clinical and other notes ..	144
"Géographie médicalé," by Dr. E. Laurent, review of .. .. .	572	Harvey, Capt. D., R.A.M.C., and Lieut. L. Bousfield, R.A.M.C., note on the spirochætae found in syphilis	263
German Medical Service, the, current literature .. .. .	574	Harvey, Capt. D., R.A.M.C., note on the staining of <i>Spirochæta pallida</i> , clinical and other notes .. .. .	409
Gerrard, Major J. J., R.A.M.C., notes on the sanitary arrangements on an ambulance train, clinical and other notes .. .. .	265	Hathaway, Lieut.-Col. H., R.A.M.C., system for the disposal of the sick and wounded of mounted troops ..	70
Gilmour, Staff-Surg. R. T., R.N., description of a method of cultivating the <i>M. melitensis</i> from small quantities of peripheral blood and inoculation experiments with the micro-organisms isolated .. .. .	435	Heart, disordered action of the, in soldiers, by Capt. J. McD. McCarthy, R.A.M.C., clinical and other notes..	630
Goats as a means of propagation of Mediterranean fever, preliminary note on, by Major W. H. Horrocks, R.A.M.C. .. .. .	343	Heart, perforation of, by revolver bullet, recovery, current literature.. ..	432
Goats' milk, dissemination of Malta fever by, letter from Surgeons E. H. Ross and G. M. Levick, R.N., correspondence .. .. .	662	Hill warfare, ambulance work in, from front to base, by Capt. G. B. Carter, R.A.M.C. .. .. .	509
Goats, susceptibility of, to Malta fever, preliminary note on the, by Dr. T. Zammit.. .. .	341	Holt, Major M. P., D.S.O., R.A.M.C., a visit to Prof. Kocher's klinik at Bern, travel, &c. .. .. .	149
Graham, Capt. J. H. P., R.A.M.C. (M.), recurrent attacks of transitory hemiplegia with motor aphasia, clinical and other notes .. .. .	143	Horrocks, Major W. H., R.A.M.C., experiments on the mode of conveyance of the <i>M. melitensis</i> to healthy animals.. .. .	311
Greig, Capt. E. D. W., I.M.S., summary of Report No. vi., of the sleeping sickness commission of the Royal Society .. .. .	472, 582	Horrocks, Major W. H., R.A.M.C., further studies on the saprophytic existence of <i>M. melitensis</i> .. ..	87
Gubbin, Lieut.-Col. G. F., R.A.M.C., short notes of some unusual cases, clinical and other notes .. .. .	524	Horrocks, Major W. H., R.A.M.C., on the duration of life of the <i>M. melitensis</i> outside the human body ..	78
Gunshot injuries of the spine, by Lieut.-Col. S. F. Loughheed, C.M.G., R.A.M.C. .. .. .	224, 358	Horrocks, Major W. H., R.A.M.C., on the recovery of the <i>M. melitensis</i> from the urine, fæces, and sweat of patients suffering from Mediterranean fever .. .. .	171
Gunshot wound, case of, '303 service cartridge, by the late Major H. A. Stalkartt, R.A.M.C., clinical and other notes .. .. .	638	Horrocks, Major W. H., R.A.M.C., preliminary note on goats as a means of propagation of Mediterranean fever .. .. .	343
Gunter, Capt. F. E., R.A.M.C., a note on the administration of anæsthetics, by N. C. O.'s, of the R.A.M.C., correspondence .. .. .	765	Hudleston, Capt. W. E., R.A.M.C., note on the systematic treatment of malaria amongst European troops, clinical and other notes .. .. .	633
		Human trypanosomiasis, treatment of, current literature .. .. .	305

	PAGE		PAGE
Hygiene, a lecture on, by Capt. G. J. S. Archer, R.A.M.C. . . . .	741	Lambert, Lieut. F. C., R.A.M.C., a case of sarcoma of the sigmoid flexure, clinical and other notes . .	522
India, rules for the segregation of regiments, &c. . . . .	747	Lecture on hygiene, by Capt. G. J. S. Archer, R.A.M.C. . . . .	741
"Indian Medical Gazette," July, 1905, review of . . . . .	431	Leishman, Lieut. - Col. W. B., R.A.M.C., the blood changes following typhoid inoculation . . . . .	1
International exhibition of the various methods of transport by land or water, current literature . . . . .	167	Levick, Surg. G. M., R.N., and Surg. E. H. Ross, R.N., experiments on the transmission of Mediterranean fever . . . . .	240
"Intestinal Surgery, handbook of," by L. A. Bidwell, F.R.C.S., review of . . . . .	570	Levick, Surg. G. M., R.N., and Surg. E. H. Ross, R.N., letter from, dissemination of Malta fever by goats' milk, correspondence . . . . .	662
Inunction, treatment of syphilis by, in the Army, by Surg.-Major H. Rayner, Royal Horse Guards . . . . .	106	Levick, Surg. G. M., R.N., and Surg. E. H. Ross, R.N., notes on some of the blood-sucking insects of the Mediterranean littoral . . . . .	385
Invalids, arrangements in the embarkation of, in transports, by Capt. N. J. C. Rutherford, R.A.M.C., clinical and other notes . . . . .	267	Liver, abscess of, a case of, by Major J. B. Buchanan, R.A.M.C., clinical and other notes . . . . .	639
Isolation of the <i>M. melitensis</i> from the blood, by Dr. T. Zammit . . . . .	449	Liver, rupture of the, by Capt. F. E. Gunter, R.A.M.C., clinical and other notes . . . . .	520
Japanese surgeons, the training of, current literature . . . . .	307	Lougheed, Lieut.-Col. S. F., C.M.G., R.A.M.C., gunshot injuries of the spine . . . . .	224, 358
Johnston, Lieut.-Col. H. H., C.B., R.A.M.C., case of enteric fever complicated with diphtheria: death, clinical and other notes . . . . .	400	Malaria, pernicious, an apparently distinct and hitherto undescribed type of parasite in, current literature . .	661
Kaiserling section of the Royal Army Medical Pathology Museum, the new, by Capt. J. C. B. Statham, R.A.M.C., clinical and other notes . . . . .	528	Malaria, systematic treatment of, amongst European troops, by Capt. W. E. Hudleston, R.A.M.C., clinical and other notes . . . . .	633
Kala-azar, a case of, by Capt. J. C. B. Statham, R.A.M.C. . . . .	248, 366	Malarial Fever in Candia, by Capt. R. A. Cunningham, R.A.M.C., clinical and other notes . . . . .	274
(Kala-azar), a case of Dum-Dum fever, by Lieut. J. McKenzie, R.A.M.C., clinical and other notes . . . . .	628	Malta fever, dissemination of, by goats' milk, letter from Surgs. E. H. Ross and G. M. Levick, R.N., correspondence . . . . .	662
Knox, Capt. E. Blake, R.A.M.C., some medical notes on war, our duties in connection with troop trains . . . . .	230	Malta fever, susceptibility of goats to, preliminary note on the, by Dr. T. Zammit . . . . .	341
Knox, Capt. E. Blake, R.A.M.C., some medical notes on war, sanitary organisation and conservancy of an army in the field . . . . .	616	Manchuria, best method of transporting wounded in, by Capt. V. Ferguson, S.W.B., translation . . . . .	647
Knox, Capt. E. Blake, R.A.M.C., some medical notes on war, water supplies and their conservancy in the field . .	703	Manders, Lieut.-Col. N., R.A.M.C., Surra as it occurs in Mauritius . .	623
Kocher's, Prof., klinik at Bern, a visit to, by Major M. P. Holt, D.S.O., R.A.M.C., travel, &c. . . . .	149		

	PAGE		PAGE
Mathias, Major H. B., D.S.O., R.A.M.C., extracts from a report on the causation of an outbreak of enteric fever at Campbellpore ..	749	<i>Micrococcus melitensis</i> , description of a method of cultivating the, from small quantities of peripheral blood and inoculation experiments with the micro-organisms isolated, by Staff-Surg. R. T. Gilmour, R.N. ..	435
Mauritius, Surra as it occurs in, by Lieut.-Col. N. Manders, R.A.M.C.	623	<i>Micrococcus melitensis</i> , isolation of the, from the blood, by Dr. T. Zammit	449
McCarthy, Capt. J. McD., R.A.M.C., disordered action of the heart in soldiers, clinical and other notes ..	630	Microscopical appearances of bullet wounds in the skin, the, by G. Lenthal Cheatle, C.B., F.R.C.S. Eng. .. .. .	579
McCulloch, Major T., R.A.M.C., the prevalence and prevention of venereal disease in the Army ..	551	Misused voices, physiological exercises for, by Major R. F. E. Austin, R.A.M.C., clinical and others notes	134
McGill, Lieut.-Col. H. S., R.A.M.C., a note on saburral fever .. ..	720	Mode of conveyance of the <i>M. melitensis</i> to healthy animals, experiments on the, by Major W. H. Horrocks, R.A.M.C. .. ..	311
McKenzie, Lieut. J., R.A.M.C., a case of Dum-Dum fever (kala-azar), clinical and other notes .. .. .	628	"Monograph of the Anopheles mosquitoes of India," by S. P. James, M.B., I.M.S., and W. G. Liston, M.D., I.M.S., review of .. ..	166
McNaught, Major J. G., R.A.M.C., the duration of vitality of <i>B. coli communis</i> in various waters, and in sewage .. .. .	95	Mosquitoes, &c., difficulties in the extermination of, at Jolo, Philippines, current literature .. ..	168
Mediastinum, round-celled sarcoma of the, notes on a case of, by Capt. F. W. Cotton, R.A.M.C., clinical and other notes .. .. .	402	Mould, Major W., R.A.M.C., a case of plague, clinical and other notes ..	140
Medical notes on war, some, by Capt. E. Blake Knox, R.A.M.C. 230, 616,	703	Paludism, the incubation period of, current literature .. .. .	167
Medical service, the German, current literature .. .. .	574	Patella, left, case of fracture of, by Capt. C. H. Carr, R.A.M.C., clinical and other notes .. .. .	725
Mediterranean Fever, experiments on the transmission of, by Surgs. E. H. Ross and G. M. Levick, R.N. ..	240	Perforating wound of the globe of the eye, three cases of, by Major D. J. Collins, R.A.M.C., clinical and other notes .. .. .	722
Mediterranean fever, interim report of experimental work in the investigation of, dealing with blood, skin, sweat, &c., by Staff-Surg. E. A. Shaw, R.N. .. .. .	456	Perforation of heart by revolver bullet, recovery, current literature .. ..	432
Mediterranean fever, propagation of, by goats, preliminary note on, by Major W. H. Horrocks, R.A.M.C.	343	"Pharmacopœia and formulary of the Royal Dental Hospital of London," review of .. .. .	658
Mediterranean fever, reports of the Commission appointed by the Admiralty, War Office, and the Civil Government of Malta, for the investigation of .. .. .	77, 171, 311 485	Physiological exercises for misused voices, by Major R. F. E. Austin, R.A.M.C., clinical and other notes	134
Mediterranean littoral, notes on some of the blood-sucking insects of the, by Surgs. E. H. Ross and G. M. Levick, R.N. .. .. .	385	Physiological exercises for misused voices, letter from Major R. F. E. Austin, R.A.M.C., correspondence..	310
Mian Mir, anti-malarial operations at, by Capt. E. P. Sewell, R.A.M.C., clinical and other notes .. ..	132		

	PAGE		PAGE
Pietermaritzburg, the prevalence of enteric fever in, by Lieut.-Col. R. J. S. Simpson, C. M. G., R. A. M. C. 54, 196, 351, 492	492	Reminiscences; Army Medical Service, by Surg.-Major W. T. Black, Medical Department (R.), travel, &c.	157
Plague, a case of, by Major W. Mould, R. A. M. C., clinical and other notes	140	"Removal of the sick and wounded in war, the," by Surg.-Lieut.-Col. L. Bernardo and Surg.-Major G. Brezzi, Italian Army, review of .. ..	571
