

## INDEX TO VOLUME LIX.

C.N. = Clinical and other Notes.  
C.L. = Current Literature.

PAGE	PAGE
Abscess, perisplenic, a fatal, complicated by malaria, by Major W. W. S. Sharpe and the late Lieutenant E. G. C. Darke C.N. 294	Bacteria destroyed by change of pressure C.L. 154
Activated carbon in water treatment, adsorption of iodine by .. .. C.L. 150	Baillière, Tindall and Cox, Messrs., catalogue of the publications of Notice 78
<i>Aerobacter aerogenes</i> and <i>Escherichia coli</i> , two rapid methods for distinguishing between .. .. C.L. 391	Barracks in Poland, new type of .. C.L. 151
Afghan War, the second, 1878-79, by Lieutenant-Colonel G. A. Kempthorne Echoes of the Past 217	Batoum, by Major M. J. Williamson .. 119
Amebic abscess, consideration of certain points in the treatment of, by Major A. G. Biggam .. .. C.N. 141	Biggam, Major A. G., a consideration of certain points in the treatment of amoebic abscess .. .. C.N. 141
Anaerobes, lactose fermenting, in soil and their relation to sanitary water analysis C.L. 392	Biggam, Major J., three cases of tropical typhus occurring in Bangalore, India .. .. . 96
Anderson, Major C. B. C., fracture of the odontoid process of the axis .. C.N. 371	Blackwater fever treated by atabrin, a case of .. .. . C.L. 315
Anti-malaria schemes, the employment of the portable pump in, by Captain J. D. Corner .. .. C.N. 138	Blood, extravasated, in the subcutaneous tissues, etc., experimental studies of the properties of .. .. C.L. 314
Archer, Captain G. T. L., a case of hydrocele treated by injection .. C.N. 292	Books received in the Royal Army Medical College Library :— January 1 to March 31, 1932 .. 79 April 1 to June 30, 1932 .. .. 239 July 1 to September 30, 1932 .. 470
Army Medical Services, 1870-74, the, by Lieutenant-Colonel G. A. Kempthorne Echoes of the Past 58	Boyd, Major J. S. K., further investigations into the characters and classification of the mannite-fermenting dysentery bacilli .. .. 241, 331
Army Surgeon, the reminiscences of an, by Lieutenant-Colonel W. A. Morris Echoes of the Past 297, 374	British Empire cancer campaign Editorial 365
Atabrin, a case of blackwater fever treated by .. .. . C.L. 315	Brucella group, methods of differentiating organisms of the .. .. C.L. 391
Atabrin and plasmochin, field experiments with .. .. . C.L. 152	Burtchaell, Lieutenant-General Sir Charles .. .. . Obituary 161
Atabrin, and plasmoquine and quinine, results of treatment of malaria by, together with some observations on malaria convalescents, by Major O. D. Jarvis .. .. . 190, 252	“Caerlleon-on-Usk, Guide to” Notice 159
Atabrin, a synthetic drug for the treatment of malaria .. .. . C.L. 230	Cancer campaign, British Empire Editorial 365
Atabrin, malaria treated with, a new synthetic drug .. .. . C.L. 151	Carbon, activated, in water treatment, adsorption of iodine by .. .. C.L. 150
Atabrin, the behaviour of plasmodia in the mosquito after treatment of the human host with .. .. . C.L. 230	Casualty clearing station (Indian establishment), a demonstration of a, by Major T. B. Nicholls .. .. . 24
	Casualty clearing station, type plan of a, and stretcher slings, letter from Colonel T. B. Wolstenholme .. .. . 237

	PAGE		PAGE
Cerebrospinal fever in the Northern Command of the Army during 1931, investigations into cases of, concluding with a plea for the early diagnosis of the disease, by Major W. Walker .. ..	401	Dental sick-wastage on active service, by Major D. Clewer .. ..	32
Cerebrospinal meningitis: the bearing of atmospheric humidity on outbreaks, with remarks on prophylaxis, by Dr. Arthur Compton .. ..	110	Dickinson, Lieutenant-Colonel R. F. O'T., a visit to Lobito .. ..	Travel 147
Charts for rapid reference in dealing with cases of poisoning (their symptoms, treatment and poison antidotes), by Major D. H. Murray .. ..	C.N. 53	Dickson Wright, the treatment of tropical ulcer by the method of .. ..	C.L. 388
Chemical defence: some medical problems of mustard gas poisoning, by Major W. R. Galwey .. ..	125	Diphtheria toxoid .. ..	C.L. 387
Christian, Captain C. R., a case of typhus due to tick bite .. ..	C.N. 445	Diving, deep sea, recent research work in, by Surgeon Lieutenant-Commander A. E. Phillips .. ..	34
Clarke, Major L. B., by rail and road in India .. ..	Travel 63	Down south, by "U.P.A." .. ..	428
Clewer, Major D., dental sick-wastage on active service .. ..	32	Duodenal and gastric ulcers, medical treatment of, and post-ulcer regime, by Major J. Bryan Fotheringham .. ..	416
Clover and malaria, letter from Major-General P. H. Henderson .. ..	395	Dysentery bacilli, mannite-fermenting, further investigations into the characters and classification of the, by Major J. S. K. Boyd .. ..	241, 331
Cold, common, and influenza, vaccine prophylaxis of the, letter from Major A. Hood .. ..	395	Eccles, Captain C. E., a case of eclampsia .. ..	C.N. 56
Colorimetric method, simple, for the determination of potassium iodide in the blood and urine .. ..	C.L. 70	ECHOES OF THE PAST:—	
Complement fixation in meningococcal infections as an aid to diagnosis .. ..	C.L. 72	The Army Medical Services, 1870-74, by Lieutenant-Colonel G. A. Kempthorne .. ..	58
Compton, Dr. Arthur, cerebrospinal meningitis: the bearing of atmospheric humidity on outbreaks, with remarks on prophylaxis .. ..	110	The reminiscences of an Army Surgeon, by Lieutenant-Colonel W. A. Morris .. ..	297, 374
Corner, Captain J. D., the employment of the portable pump in anti-malaria schemes .. ..	C.N. 138	The second Afghan War, 1878-79, by Lieutenant-Colonel G. A. Kempthorne .. ..	217
Cox, Captain W. L. Spencer, the Riviera by road .. ..	Travel 305	Eclampsia, a case of, by Captain C. E. Eccles .. ..	C.N. 56
Creagh, Major E. P. N., report on a case of pneumococcal meningitis as a primary infection, with complete recovery .. ..	C.N. 212	EDITORIALS:—	
Crockery, notes on a simple method of sterilizing, by Captain M. F. Griffin .. ..	C.N. 215	A study in nutrition .. ..	132
Culture media, soy-bean .. ..	C.L. 464	British Empire cancer campaign .. ..	365
Darke, the late Lieutenant, and Major W. W. S. Sharpe, a fatal perisplenic abscess complicated by malaria .. ..	C.N. 294	Hæmolytic streptococci .. ..	440
Deep sea diving, recent research work in, by Surgeon Lieutenant-Commander A. E. Phillips .. ..	34	Recent work on vitamins .. ..	46
		The Lister Institute of Preventive Medicine .. ..	282
		<i>Escherichia coli</i> and <i>Aerobacter aerogenes</i> , two rapid methods for distinguishing between .. ..	C.L. 391
		Extravasated blood in the subcutaneous tissues, etc., experimental studies of the properties of .. ..	C.L. 314
		Eye, some experiments undertaken to show the effect of red rays on the .. ..	C.L. 315
		Field ambulances, by Colonel H. B. Kelly .. ..	165
		Findlay, Major H. T., the Meinicke micro-reaction as a control of the Wassermann test .. ..	14
		Fleas, crushed or infected, or infected flea faeces, transmission of endemic typhus by rubbing into wounds .. ..	C.L. 72

	PAGE		PAGE
Fotheringham, Major J. Bryan, medical treatment of gastric and duodenal ulcers and post-ulcer regime .. ..	416	Jarvis, Major O. D., results of treatment of malaria by (a) plasmoquine and quinine, and (b) atebtrin, together with some observations on malaria convalescents .. .. .	190; 252
Functional nervous diseases in the Army, by Major S. Smith .. .. .	81, 175	Javellization, notes on the purification of drinking water by .. .. C.L.	460
Galwey, Major W. R., some medical problems of mustard gas poisoning ..	125	Kelly, Colonel H. B., concerning field ambulances .. .. .	165
Gastric and duodenal ulcers, medical treatment of, and post-ulcer regime, by Major J. Bryan Fotheringham ..	416	Kempthorne, Lieutenant-Colonel G. A., The Army Medical Services, 1870-74 .. .. .	Echoes of the Past 58
Gonorrhœa, anterior, a new bactericide for treating .. .. . C.L.	313	Kempthorne, Lieutenant-Colonel G. A., the second Afghan War, 1878-79 .. .. .	Echoes of the Past 217
Griffin, Captain M. F., notes on a simple method of sterilizing crockery .. C.N.	215	Kidd, Major G. P., a problem for the regimental medical officer in modern warfare ..	321
Gunshot wound, old, and foreign body complicated by <i>M. catarrhalis</i> , by Majors R. W. Vint and J. H. C. Walker .. C.N.	146	League of Nations, public health intelligence of the health organization of the, letter from L. Rajohman, medical director .. .. .	78
Hæmolytic streptococci .. Editorial	440	Lister Institute of Preventive Medicine .. .. .	Editorial 282
Heat exhaustion and heat hyperpyrexia, ætiology and treatment of, with special reference to experiences in Iraq, by Squadron Leader T. C. St. C. Morton ..	200	Liver extract, liquid, concentrated (B.W. and Co.) .. .. .	Notice 239
Henderson, Major-General P. H., clover and malaria .. Correspondence	395	Lobito, a visit to, by Lieutenant-Colonel R. F. O'T. Dickinson ..	Travel 147
Hollywood, history from, by "I.A.F." ..	20	Magnesium sulphate in otorrhœa .. C.L.	153
Hood, Major Alexander, a case of malaria contracted in England .. .. C.N.	373	Malaria and clover, letter from Major-General P. H. Henderson .. ..	395
Hood, Major Alexander, vaccine prophylaxis of the common cold and influenza .. Correspondence	395	Malaria, anti, schemes, the employment of the portable pump in, by Captain J. D. Corner .. .. .	C.N. 138
Hydrocœle, a case of, treated by injection, by Captain G. T. L. Archer .. C.N.	292	Malaria, atebtrin, a synthetic drug for the treatment of .. .. .	C.L. 230
"I.A.F.," history from Hollywood ..	20	Malaria contracted in England, a case of, by Major Alexander Hood .. C.N.	373
India, by rail and road in, by Major L. B. Clarke .. .. .	Travel 63	Malaria, field experiments with atebtrin and plasmochin .. .. .	C.L. 152
Influenza and the common cold, vaccine prophylaxis of, letter from Major A. Hood .. .. .	395	Malaria, results of treatment of, by (a) plasmoquine and quinine, and (b) atebtrin, together with some observations on malaria convalescents, by Major O. D. Jarvis .. .. .	190, 252
Influenza, inoculation against, by Major R. A. Mansell .. .. .	270	Malaria, the behaviour of plasmodia in the mosquito after treatment of the human host with atebtrin .. C.L.	230
International Congresses of Military Medicine and Pharmacy, 1931-32, report on the work of the Permanent Committee of the .. .. .	Notice 396	Malaria treated with atebtrin, a new synthetic drug .. .. .	C.L. 151
International Congress of Military Medicine and Pharmacy, Madrid, 1933 .. .. .	Notice 398	Mannite-fermenting dysentery bacilli, further investigations into the characters and classification of the, by Major J. S. K. Boyd .. .. .	241, 331
Iodide, potassium, simple colorimetric method for the determination of, in the blood and urine .. .. C.L.	70	Mansell, Major R. A., inoculation against influenza .. .. .	270
Iodine, adsorption of, by activated carbon in water treatment .. .. .	C.L. 150		
Iodized "Moogrol" .. .. .	Notice 159		

PAGE	NOTICES— <i>continued.</i>	PAGE
Medical officer, regimental, in modern warfare, a problem for the, by Major G. P. Kidd .. .. .	List of books received in the Royal Army Medical College Library:— January 1 to March 31, 1932 .. .. . April 1 to June 30, 1932 .. .. .	79 239
Meinicke micro-reaction as a control of the Wassermann test, by Major H. T. Findlay .. .. .	Report on the work of the Permanent Committee of the International Congresses of Military Medicine and Pharmacy, 1931-32 .. .. .	14 396
Meningitis, pneumococcal, as a primary infection, report on a case of, with complete recovery, by Major E. P. N. Creagh .. .. . C.N.	"Stipolac," use of, in the radiographic examination of the gall-bladder .. .. .	212 79
Meningococcal infections, complement fixation in, as an aid to diagnosis C.L.	Nutrition, a study in .. .. . Editorial	72 132
Military Medicine and Pharmacy, International Congress of, Madrid, 1933 .. .. . Notice	Odontoid process of the axis, fracture of the, by Major C. B. C. Anderson C.N.	398 371
Military Medicine and Pharmacy, 1931-32, International Congresses of, report on the work of the Permanent Committee of the .. .. . Notice	"Olla Podrida," by Lieutenant-Colonel W. Mitchell .. .. .	396 277
Mitchell, Lieutenant-Colonel W., "Olla Podrida" .. .. .	Otorrhœa, magnesium sulphate in C.L.	277 153
"Moogrol," iodized .. .. . Notice	Passports and peregrinations, by Colonel C. D. Myles, Travel .. .. .	159 452
Morris, Lieutenant-Colonel W. A., the reminiscences of an Army Surgeon Echoes of the past .. .. .	Pellagra, B. V. P.-deficiency and <i>Ascaris</i> in relation to, letter from H. M. Woodcock .. .. .	297, 374 468
Morton, Squadron Leader T. C. St. C., the ætiology and treatment of heat exhaustion and heat hyperpyrexia, with special reference to experiences in Iraq	Peregrinations and passports, by Colonel C. D. Myles, Travel .. .. .	200 452
Mosquito, anti, measures, two simple, by Captain T. F. M. Woods .. .. . C.N.	Périsplenic abscess, a fatal, complicated by malaria, by Major W. W. S. Sharpe and the late Lieutenant E. G. C. Darke .. .. . C.N.	450 294
Murray, Major D. H., charts for rapid reference in dealing with cases of poisoning (their symptoms, treatment and poison antidotes) .. .. . C.N.	Phillips, Surgeon Lieutenant-Commander A. E., recent research work in deep sea diving .. .. .	53 34
Mustard gas poisoning, some medical problems of, by Major W. R. Galwey	Plasmochin and atabrin, field experiments with .. .. . C.L.	125 152
Myles, Colonel C. D., peregrinations and passports. Travel .. .. .	Plasmoquine and quinine, and atabrin, results of treatment of malaria by, together with some observations on malaria convalescents, by Major O. D. Jarvis .. .. .	452 190, 252
Nervous diseases, functional, in the Army, by Major S. Smith .. .. .	Plasmoquine compound tablets, note on the passage of, in the stools .. .. . C.L.	81, 175 387
Nicholls, Major T. B., a demonstration of a casualty clearing station (Indian establishment) .. .. .	Pneumococcal meningitis as a primary infection, report on a case of, with complete recovery, by Major E. P. N. Creagh .. .. . C.N.	24 212
NOTICES:—	Poisoning, cases of (their symptoms, treatment and poison antidotes), charts for rapid reference in dealing with, by Major D. H. Murray .. .. . C.N.	53
Catalogue of the publications of Messrs. Baillière, Tindall and Cox .. .. .	Pressure, bacteria destroyed by change of .. .. . C.L.	78 154
Concentrated liquid liver extract (B. W. and Co.) .. .. .	Priest, Brevet Lieutenant-Colonel R., the treatment of suspended animation in 1824 .. .. . C.N.	239 288
