C.N. = Clinical and other Notes.  
C.L. = Current Literature.

	PAGE		PAGE
Ablution water, removal of grease from, by Major G. V. James . . . . . C.N.	98	Brown, Major Stewart, vehicle tactical markings for a field ambulance C.N.	47
Allan, Captain W. D., caisson disease C.N.	199	Bullets, incendiary, tracer and explo- sive, by Major J. R. Cameron . . . . .	269
Anderson, Lieutenant-Colonel W. M. E., anti-sandfly spraying with lethane and pyrethrum . . . . .	12	Bulmer, Lieutenant-Colonel Ernest, and Major W. M. Priest, sulfaguanidine in the treatment of bacillary dysen- tery . . . . .	277
Ankles, deck, by Captain W. F. L. Fava . . . . . C.N.	305	Caird, Major J. C., Captain A. F. Fletcher and Lieutenant G. R. Staley, three rare conditions observed on board a hospital ship . . . . .	190
Anopheline mosquitoes of the Medi- terranean region and the lands adjoining the Red Sea and the Per- sian Gulf, a key to the, by Major T. T. Macan . . . . .	1	Caisson disease, by Captain W. D. Allan . . . . . C.N.	199
Anuria following sulphapyridine ther- apy, by Majors John C. Nicholson and L. C. Hill . . . . . C.N.	49	Cameron, Captain J. A. M., and Major J. C. Collins, intestinal obstruction by amoebic granulomata . . . . .	140
Aorta, coarctation of the, with patent ductus arteriosus, by Lieutenant- Colonel J. Gibson Graham and Cap- tain J. D. Olav Kerr . . . . .	169	Cameron, Major J. R., incendiary, tracer and explosive bullets . . . . .	269
Archer, Major G. T. L., a factor inhi- biting the agglutination of <i>Bact.</i> <i>alkalescens</i> by homologous serum . . . . .	109	Casualties, evacuation of, over cliffs, by Lieutenant-Colonel W. G. Love and Regimental-Serjeant-Major J. A. Hogarth . . . . . C.N.	145
Asbestosis, pulmonary, a case of, ac- companied by tuberculosis . . . . . C.L.	102	Changes . . . . . Editorial	246
Bacillary dysentery, histological find- ings in fatal cases of, by Major John C. Dick . . . . .	240	Chemical disposal of sewage, by Major D. P. Holmes . . . . . C.N.	42
<i>Bact. alkalescens</i> , a factor inhibiting the agglutination of, by homologous serum, by Major G. T. L. Archer . . . . .	109	Cleland, Captain G. J., a plaster bandage-making machine . . . . . C.N.	101
Bardhan, Captain P. N., a study on the culture of the tubercle bacillus by the Lowenstein-Jensen medium C.N.	40	Climatic bubo and similar conditions, sulphanilamide in the treatment of C.L.	103
Barges, rafts and punts, improvised, by Lieutenant-Colonel E. A. Cormack C.N.	248	Coarctation of the aorta with patent ductus arteriosus, by Lieutenant- Colonel J. Gibson Graham and Cap- tain J. D. Olav Kerr . . . . .	169
Base hospital organization (tented), some points on, by Colonel R. Rutherford . . . . .	176	Collins, Major J. C., and Captain J. A. M. Cameron, intestinal obstruc- tion by amoebic granulomata . . . . .	140
B.C.G. vaccination in Montreal . . . . . C.L.	313	Common ills of the soldier . . . . . Editorial	295
Belbin, Lieutenant E. D., treatment of scabies with benzyl benzoate C.N.	207	Cookhouse, field, spray-proof, by Lieu- tenant-Colonel Edgar Walsh . . . . . C.N.	152
Blackmore, Captain W. T. E., with a field ambulance in Libya . . . . .	161	Cormack, Lieutenant-Colonel E. A., improvised rafts, punts and barges C.N.	248
Blood sedimentation rate, observations on the technique of the, by Private H. Duschinsky . . . . . C.N.	257	Cowell, Brigadier E. M., the stretcher- bearers' hip sling . . . . . C.N.	309
Breathing machine service in the Northern Command, India, by Lieu- tenant-Colonel F. M. Lipscomb and Lieutenant-Colonel A. C. Harvey . . . . .	57	Deck ankles, by Captain W. F. L. Fava . . . . . C.N.	305
British Empire Cancer Campaign Editorial	38	Dick, Major John C., histological find- ings in fatal cases of bacillary dysen- tery . . . . .	240
Brooch, Corps, acceptance of, by Her Majesty The Queen, Colonel-in-Chief Correspondence—Facing p.	161	Disinfectors and disinfestors, improv- vised, simple means for testing the efficiency of, by Major S. Knight C.N.	45
		Dixon, Colonel H. B. F., clinical lecture on leprosy, with notes of three cases amongst Maltese troops . . . . .	118

	PAGE		PAGE
Law, Major W. A., and Lieutenant-Colonel F. A. R. Stammers, tropical bubo or lymphogranuloma inguinale C.N.	300	Measles, malignant	C.L. 104
Leprosy, clinical lecture on, with notes of three cases amongst Maltese troops, by Colonel H. B. F. Dixon.	118	Miscarriage following blackwater fever, a case of	C.L. 52
Lethane and pyrethrum, anti-sandfly spraying with, by Lieutenant-Colonel W. M. E. Anderson	12	Moir, Captain L. J., treatment of acute gingivitis with zinc oxide paste and wooden points	34
Libya, with a field ambulance in, by Captain W. T. E. Blackmore	161	Montgomery, Captain R., dyspeptic conditions in the Army	226
Lipscomb, Lieutenant-Colonel F. M., and Lieutenant-Colonel A. C. Harvey, breathing machine service in Northern Command, India	57	Mosquitoes, anopheline, of the Mediterranean region and the lands adjoining the Red Sea and the Persian Gulf, a key to the, by Major T. T. Macan	1
Lister Institute, report of the	196	Newsom, Major S., malignant disease of the testis	233
Liver preparations, sensitivity to	262	Nicholson, Major John C., and Major L. C. Hill, anuria following sulphapyridine therapy	C.N. 49
Lord Roberts' Memorial Workshops, letter from Lieutenant-General Sir George MacMunn	267	NOTICES.	
Love, Lieutenant-Colonel W. G., and Regimental Serjeant-Major J. A. Hogarth, evacuation of casualties over cliffs	145	Sulphaguanidine—Boots	159
Lovibond comparator, estimation of sulphonamide compounds in blood by the, by Major Stuart McDonald, J. R. P. O'Brien and M. W. Stanier	25	Synthetic Vitamin K	212
Low-back pain as a cause of incapacity among soldiers, clinical observations on, by Major J. Kinloch McCollum	287	Vitamin B <sub>1</sub> —Boots	268
Lunn, Captain H. F., the recognition of scabies by the Army medical officer	203	O'Brien, J. R. P., Major Stuart McDonald and M. W. Stanier, estimation of sulphonamide compounds in blood by the Lovibond comparator	25
Lymphogranuloma inguinale, tropical bubo or, by Lieutenant-Colonel F. A. R. Stammers and Major W. A. Law	300	Obstruction, intestinal, by amoebic granulomata, by Captain J. A. M. Cameron and Major J. C. Collins	140
Macan, Major T. T., a key to the anopheline mosquitoes of the Mediterranean region and the lands adjoining the Red Sea and the Persian Gulf	1	Pepper, Major Willson, varicose veins and the soldier	30
MacMunn, Lieutenant-General Sir George, Lord Roberts' Memorial Workshops	267	Plague in the western part of the United States	C.L. 51
Malaria, quartan, naturally and artificially produced	C.L. 313	Plaster bandage-making machine, by Captain G. J. Cleland	C.N. 101
Malignant disease of the testis, by Major S. Newsom	223	Priest, Major W. M., and Lieutenant-Colonel Ernest Bulmer, sulfaguanidine in the treatment of bacillary dysentery	277
Man-management, by Lieutenant-Colonel R. A. Mansell	69	Pulmonary asbestosis accompanied by tuberculosis, a case of	C.L. 102
Mansell, Lieutenant-Colonel R. A., man-management	69	Punts, rafts and barges, improvised, by Lieutenant-Colonel E. A. Cormack	C.N. 248
Markings, vehicle tactical, for a field ambulance, by Major Stewart Brown	C.N. 47	Pyrethrum and lethane, anti-sandfly spraying with, by Lieutenant-Colonel W. M. E. Anderson	12
McDonald, Major Stuart, J. R. P. O'Brien and M. W. Stanier, estimation of sulphonamide compounds in blood by the Lovibond comparator	25	Raft for stretcher cases, improvised, by Major I. B. Rees-Roberts	C.N. 252
McCollum, Major J. Kinloch, clinical observations on low-back pain as a cause of incapacity among soldiers	287	Rafts, punts and barges, improvised, by Lieutenant-Colonel E. A. Cormack	C.N. 248
		Rare conditions, three, observed on board a hospital ship, by Major J. C. Caird, Captain A. F. Fletcher and Lieutenant G. R. Staley	190
		Rees-Roberts, Major I. B., improvised raft for stretcher cases	C.N. 252
