

## INDEX TO VOLUME IX.

PAGE		PAGE
642	"Abel's laboratory handbook of bacteriology," review of.. ..	Appendicitis, report on fifty cases of operation for, performed at the Military Hospital, Colchester, by Major F. J. W. Porter .. .. 35
525	Abscess, mastoid, notes on a case of, by Capt. J. H. Douglass, clinical and other notes .. ..	Appendicitis, two cases of, occurring simultaneously in master and servant (an interesting coincidence), by Major S. F. Green, clinical and other notes .. .. . 290
509	Ague, malignant tertian, two cases of, fatal results, by Capt. A. L. Otway, clinical and other notes .. ..	Archer, Capt. G. J. S., case of kala-azar contracted in Crete, clinical and other notes .. .. . 287
67	Ague, malignant, the administration of quinine in, by Capt. W. D. C. Kelly, clinical and other notes ..	Archer, Capt. G. J. S., notes on the <i>post-mortem</i> examination of a case of kala-azar contracted in Crete, clinical and other notes .. .. 511
558	Aldridge, Lieut.-Col. A. R., house-flies as carriers of enteric fever infection	Army Medical Service in the field, modern firearms and, current literature .. .. . 211
496	American Army, the care of the feet in the, by Capt. C. R. Sylvester-Bradley .. .. .	Army schools, the teaching of hygiene in, by Major R. J. Blackham .. 17
540	Anaerobic bacteria of water, the, current literature .. .. .	Arthritis, gonorrhoeal, notes on the treatment of, by rectal injections of antistreptococcus serum, by Lieut. A. Dawson, clinical and other notes 189
115	Analgesia, local, by A. E. Barker ..	Aspiration of the liver, case of, &c., letter from Lieut.-Col. W. M. O'Keeffe, correspondence .. .. 321
322	Analgesia, local, letter from Major F. J. W. Porter, correspondence ..	Aspiration of the liver, case of, &c., letter from Lieut. N. Low, correspondence .. .. . 218
476	Analgesia, spinal, with notes of fifty cases, by Major C. G. Spencer and Capt. J. W. H. Houghton .. ..	Atoxyl in the treatment of syphilis, by Col. F. J. Lambkin .. .. . 582
611	Aneurysm, a case of sudden death from, without previous symptoms, by Capt. A. C. Osburn, clinical and other notes .. .. .	Atoxyl in the treatment of syphilis, current literature .. .. . 444
298	Annual sanitary report, Sierra Leone, 1906, by Capt. A. H. Morris, reports, &c. .. .. .	Austin, Major R. F. E., Dr. M. S. Pembrey and diaphragmatic drill, correspondence .. .. . 112
513	Anti-gonococcus serum, report on seven cases of gonorrhoeal rheumatism treated by, by Major F. J. W. Porter, clinical and other notes ..	Auxiliary forces, the medical unit of the, by Capt. J. H. P. Graham, clinical and other notes .. .. 414
175	Anti-plague measures in Rawal Pindi, India, by Capt. B. B. Burke .. ..	
613	Anti-typhoid inoculation, by Major H. J. M. Buist, reports, &c. ..	
602	Appendicitis, a case of, with suppurative peritonitis, operation and recovery, by Major E. W. Bliss, clinical and other notes .. ..	

	PAGE		PAGE
Bacterial dysentery, the specific prophylaxis and treatment of, by Dr. George Deane . . . . .	572	Blackham, Major R. J., rare form of fracture of patella, clinical and other notes . . . . .	610
Bacteria, "specific," experiments made to determine the conditions under which, derived from sewage, may be present in the air of ventilating pipes, &c., by Major W. H. Horrocks . . . . .	337	Blackham, Major R. J., the teaching of hygiene in Army schools. . . . .	17
"Bacteriology, Abel's laboratory handbook of," review of . . . . .	642	Blackwater fever in Sierra Leone, a note on, by Major H. W. Grattan. . . . .	237
Baker, Lieut.-Col. W. J., the treatment of scabies by balsam of Peru, clinical and other notes . . . . .	291	Bliss, Major E. W., a case of appendicitis with suppurative peritonitis, operation and recovery, clinical and other notes . . . . .	602
Balsam of Peru, the treatment of scabies by, by Lieut.-Colonel W. J. Baker, clinical and other notes . . . . .	291	Bliss, Major E. W., and Capt. H. D. Packer, case of fatal gunshot injury of the spine from a Morris tube bullet, clinical and other notes . . . . .	284
Barker, A. E., local analgesia. . . . .	115	Bliss, Capt. E. W., case of fracture of the lower end of humerus, with rare form of displacement, clinical and other notes . . . . .	395
Barnett, Major K. B., baths and bathing in Japan, travel . . . . .	71	Blood culture in enteric fever, current literature . . . . .	320
Barnett, Major K. B., notes on the health of Europeans and natives in Peking, correspondence . . . . .	545	"Blood stains," review of . . . . .	641
Baths and bathing in Japan, by Major K. B. Barnett, travel . . . . .	71	Bousfield, Capt. L., a case for diagnosis, clinical and other notes . . . . .	282
Beach, Major T. B., an unusual case of fever, clinical and other notes . . . . .	63	Bousfield, Capt. L., cardiac murmurs as a cause of unfitness for service, correspondence . . . . .	541
Begbie, Major F. W., foreign body in the stomach, clinical and other notes . . . . .	185	Bousfield, Capt. L., the solution of "a case for diagnosis," clinical and other notes . . . . .	394
Beveridge, Major W. W. O., a new form of filter funnel, clinical and other notes . . . . .	293	Bousfield, Lieut. L., operative work in the Egyptian Military Hospital, Khartoum, Soudan, during the year 1906 . . . . .	21
Beveridge, Major W. W. O., the incubation period of bilharzia disease, correspondence . . . . .	323	Bowle, Capt. S. C., a criticism of schemes and a new scheme for the dental treatment of British troops in India . . . . .	584
"Beri-beri, the cause and prevention of," review of . . . . .	106	Bray, Major H. A., the teeth of the soldier . . . . .	170
Bicycles, transport of wounded on, current literature . . . . .	643	"British sanatoria annual, the," review of . . . . .	441
Bilharzia disease, the incubation period of, letter from Major W. W. O. Beveridge, correspondence . . . . .	323	Buist, Major H. J. M., anti-typhoid inoculation, reports, &c. . . . .	613
Bilharzia hæmatobia, notes on two cases of, Thayetmyo, Burma, by Capt. W. S. Crosthwait, clinical and other notes . . . . .	524	Burke, Capt. B. B., anti-plague measures in Rawal Pindi, India . . . . .	175
Birt, Lieut.-Col. C., typhoid and paratyphoid fevers. . . . .	131		
Blackham, Major R. J., a case of eclampsia, clinical and other notes . . . . .	399	Canada, the present status of military medical arrangements in, by Lieut.-Col. J. T. Fotheringham, reprint . . . . .	310
Blackham, Major R. J., a note on the Service watercart, clinical and other notes . . . . .	516	Carbolic acid gangrene, by Capt. W. A. Ward, clinical and other notes . . . . .	400

PAGE	PAGE		
Cardiac murmurs as a cause of unfitness for service, letter from Capt. L. Bousfield, correspondence .. .. .	541	Cummins, Capt. S. L., case of hydatid disease of the femur, clinical and other notes .. .. .	69
Cardiac murmurs as a cause of unfitness for service, notes on, by Lieut.-Col. D. Wardrop .. .. .	32	Cunningham, Lieut. H. H. B., catarrhal conjunctivitis .. .. .	264
Catarrhal conjunctivitis, by Lieut. H. H. B. Cunningham .. .. .	264	Curragh camp, transactions of the pathological laboratory, 1906, by Major F. E. Gunter .. .. .	261
Catgut, the preparation of, current literature .. .. .	109	Dawson, Lieut. A., notes on the treatment of gonorrhoeal arthritis by rectal injections of antistreptococcus serum, clinical and other notes	189
Cathcart, Capt. G. E., notes on the causes and treatment of collapse in malignant ague, clinical and other notes .. .. .	410	Deane, Dr. George, the specific prophylaxis and treatment of bacterial dysentery .. .. .	572
Cerebellum, new growth of the, a case of, by Lieut. A. A. Sutcliff, clinical and other notes .. .. .	61	Dengue fever, the etiology of, current literature .. .. .	317
Cerebro-spinal meningitis, septic, a case of, by Major H. E. Winter, clinical and other notes .. .. .	605	Dental treatment of British troops in India, a criticism of schemes and a new scheme for the, by Capt. S. C. Bowle .. .. .	584
"Chemistry, organic, text-book of, for medical students," review of .. .. .	642	Depôt, the, the recruit, and the Swedish drill, clinical and other notes .. .. .	502
Clark, Major S. F., a simple form of destructor for stable litter, clinical and other notes .. .. .	413	Destructor for stable litter, a simple form of, by Major S. F. Clark, clinical and other notes .. .. .	413
Clark, Major S. F., the Corps, looking backward .. .. .	193	Diagnosis, a case for, by Capt. L. Bousfield, clinical and other notes .. .. .	282
"Clinical studies, post-graduate, for the general practitioner," review of	210	Diaphragmatic drill, Dr. M. S. Pembrey and, letter from Major R. F. E. Austin, correspondence .. .. .	112
Collapse in malignant ague, notes on the causes and treatment of, by Capt. G. E. Cathcart, clinical and other notes .. .. .	410	Dietl's crisis, a case of, by Capt. J. Fairbairn, clinical and other notes	608
Conjunctivitis, catarrhal, by Lieut. H. H. B. Cunningham .. .. .	264	Diseases, statistics of chief, amongst troops in the Philippines and the United States Army, current literature .. .. .	318
Corps, the, by Major S. F. Clark, looking backward .. .. .	193	Disinfectant values, some, by Major C. E. P. Fowler .. .. .	44
Cottell, Lieut.-Col. R. J. C., heart disease and the Service .. .. .	460	Disinfection, testing methods of, the employment of non-pathogenic spore-bearing micro-organisms in, current literature .. .. .	646
Cowan, Capt. J., wanted, an explanation, correspondence .. .. .	447	Double coxa vara, case of, by Major S. H. Fairrie, clinical and other notes	397
Cowey, Capt. R. V., a suggestion, eye, clinical and other notes .. .. .	612	Douglass, Capt. J. H., notes on a case of mastoid abscess, clinical and other notes .. .. .	525
Coxa vara, double, case of, by Major S. H. Fairrie, clinical and other notes .. .. .	397	Dressing, first field, the new, of the German Army, current literature .. .. .	646
Crothwait, Capt. W. S., notes on two cases of Bilharzia hematobia, Thayetmyo, Burma, clinical and other notes .. .. .	524		
Crutch, saddle, the disposal of the wounded of mounted troops, by Lieut.-Col. H. Hathaway .. .. .	485		

	PAGE		PAGE
Dunn, Major H. N., Lieut.-Col. S. F. Loughheed and Majors J. C. Jameson and E. M. Pilcher, surgical report for the Royal Arsenal, Woolwich, 1905-6 .. .. .	244	Enteric fever, whey in, report on the use of, by Lieut.-Col. L. W. Swabey, clinical and other notes .. ..	403
Dysentery, bacillary, the serum treatment of, current literature .. ..	446	Enteric, typhoid and paratyphoid fevers, by Lieut.-Col. C. Birt .. ..	131
Dysentery, bacterial, the specific prophylaxis and treatment of, by Dr. George Deane .. .. .	572	Experiments made to determine the conditions under which "specific" bacteria derived from sewage may be present in the air of ventilating pipes, &c., by Major W. H. Horrocks	337
Earthquake, sanitation and an, by Major E. C. Freeman .. ..	385	Explanation, wanted, an, letter from Capt. J. Cowan, correspondence ..	447
Echoes from the past, remarks on certain points connected with the field hospitals during the autumn manoeuvres of 1872, &c., by Surg.-Major G. A. Hutton .. .. .	526	Explanation, wanted, an, letters from Col. R. H. Forman, correspondence ..	217, 544
Eclampsia, a case of, by Major R. J. Blackham, clinical and other notes	399	Explanation, wanted, an, letters from Lieut.-Col. N. Manders, correspondence .. .. .	324, 648
Egypt as a foreign station, by Major F. W. Hardy, travel .. .. .	197	Eye, a suggestion, by Capt. R. V. Cowey, clinical and other notes ..	612
Ellis, Inspector-General Sir Herbert, opening address of the United Services Medical Society .. .. .	449	Eye cases, notes on, Rawal Pindi, India, by Major T. W. Gibbard, clinical and other notes .. ..	517
Enteric fever, anti-typhoid inoculation, by Major H. J. M. Buist, reports, &c. .. .. .	613	Fairbairn, Capt. J., a case of Dietsl's crisis, clinical and other notes ..	608
Enteric fever, blood culture in, current literature .. .. .	320	Fairrie, Major S. H., case of double coxa vara, clinical and other notes ..	397
Enteric fever, dissemination of, by means of the urine, by Col. W. J. Rainsford, clinical and other notes	186	Families' hospitals, military, the statistics of, by Major R. J. Blackham, clinical and other notes .. .. .	296
Enteric fever infection, house-flies as carriers of, by Lieut.-Col. A. R. Aldridge .. .. .	558	Feet, the care of the, in the American Army, by Capt. C. R. Sylvester-Bradley .. .. .	496
Enteric fever in war, by Major W. S. Harrison .. .. .	547	Femur, hydatid disease of the, case of, by Capt. S. L. Cummins, clinical and other notes .. .. .	69
Enteric fever, is simple continued fever? by Capt. L. W. Harrison ..	580	Ferguson, Lieut.-Col. N. C., notes on the management of the officers' mess in a temporary hospital, reports, &c. .... .	424
Enteric fever, report of a group of cases which occurred among the children of families occupying the new Verdala Married Quarters, Malta, by Major W. L. Gray, clinical and other notes .. .. .	405	Fever, an unusual case of, by Major T. B. Beach, clinical and other notes .. .. .	63
Enteric fever, the diagnosis of typhoid and paratyphoid fever by means of cultures taken from the blood in these diseases, by Major J. C. B. Statham .. .. .	226	Fever, simple continued, in Malta, notes on, by Lieut.-Col. J. J. Gerrard .. .. .	487
		Fever, simple continued, is, enteric fever? by Capt. L. W. Harrison ..	580
		Field dressing, first, the new, of the German Army, current literature	646

	PAGE		PAGE
Field medical units, the terminology of, letter from Lieut.-Col. R. Kirkpatrick, correspondence .. ..	649	Funnel, filter, a new form of, by Major W. W. O. Beveridge, clinical and other notes .. .. .	293
Filter funnel, a new form of, by Major W. W. O. Beveridge, clinical and other notes .. .. .	293	Gangrene, carbolic acid, by Capt. W. A. Ward, clinical and other notes ..	400
Firearms, modern, and the Army Medical Service in the field, current literature .. .. .	211	German navy, statistical report of the health of the, for the year, October 1, 1904, to September 30, 1905, current literature .. .. .	441
First field dressing, the new, of the German Army, current literature ..	646	Gerrard, Lieut.-Col. J. J., ingrowing toenail, clinical and other notes ..	60
Fistula, persistent urinary renal, ligature of the renal vessels by the transperitoneal method for the cure of, by Major M. P. Holt .. .. .	219	Gerrard, Lieut.-Col. J. J., notes on simple continued fever in Malta ..	487
"Flat foot," the prevention of, with special reference to fitness for military service, current literature ..	644	Gibbard, Major T. W., notes on eye cases, Rawal Pindi, India, clinical and other notes .. .. .	517
Flies, house, and their ways at Benares, by Major F. Smith .. ..	150	Goddard, Capt. G. H., the King Edward VII. sanatorium, travel, &c. .. .. .	202
Flies, house, and their ways at Benares, letter from Major F. Smith, correspondence .. .. .	447	Gonococcus, anti-, serum, report on seven cases of gonorrhoeal rheumatism treated by, by Major F. J. W. Porter, clinical and other notes ..	513
Flies, house, as carriers of enteric fever infection, by Lieut.-Col. A. R. Aldridge .. .. .	558	Gonorrhoeal arthritis, notes on the treatment of, by rectal injections of antistreptococcus serum, by Lieut. A. Dawson, clinical and other notes	189
Foreign body in the stomach, by Major F. W. Begbie, clinical and other notes .. .. .	185	Gonorrhoeal rheumatism, report on seven cases of, treated by anti-gonococcus serum, by Major F. J. W. Porter, clinical and other notes ..	513
Forman, Col. R. H., leprosy and an Indian fakir, correspondence .. ..	543	Graham, Capt. J. H. P., the medical unit of the auxiliary forces, clinical and other notes .. .. .	414
Forman, Col. R. H., wanted, an explanation, correspondence .. ..	217, 544	Graham, J. H. P., Major Smith's reserve scheme, correspondence .. ..	216
Fortescue, Lieut. A. I., Professor R. Koch's report on the work of the German expedition for the investigation of sleeping sickness, translation .. .. .	626	Grattan, Major H. W., a note on blackwater fever in Sierra Leone ..	237
Fotheringham, Lieut.-Col. J. T., the present status of military medical arrangements in Canada, reprint ..	310	Gray, Major W. L., report of a group of cases of enteric fever which occurred among the children of families occupying the new Verdala Married Quarters, Malta, clinical and other notes .. .. .	405
Fowler, Major C. E. P., some disinfectant values .. .. .	44	Green, Major S. F., two cases of appendicitis occurring simultaneously in master and servant (an interesting coincidence), clinical and other notes .. .. .	290
Fracture of patella, rare form of, by Major R. J. Blackham, clinical and other notes .. .. .	610		
Fracture of the lower end of humerus, case of, with rare form of displacement, by Capt. E. W. Bliss, clinical and other notes .. .. .	395		
Freeman, Major E. C., sanitation and an earthquake .. .. .	385		

PAGE	PAGE		
Gunshot injury of the spine, fatal, from a Morris tube bullet, by Major E. W. Bliss and Capt. H. D. Packer, clinical and other notes .. .. .	284	Horrocks, Major W. H., experiments made to determine the conditions under which "specific" bacteria derived from sewage may be present in the air of ventilating pipes, &c...	337
Gunter, Major F. E., and Capt. G. F. Sheehan, a case of acute general peritonitis following enteric fever, operation, recovery, clinical and other notes .. .. .	65	Houghton, Capt. J. W. H., and Major C. G. Spencer, spinal analgesia, with notes of fifty cases .. .. .	476
Gunter, Major F. E., transactions of the pathological laboratory, Curragh camp, 1906 .. .. .	261	House-flies and their ways at Benares, by Major F. Smith .. .. .	150
Hæmorrhage, intestinal, danger of the starch and opium enema treatment of, by Lieut. C. Ryley, clinical and other notes .. .. .	292	House-flies and their ways at Benares, letter from "Entomologist," correspondence .. .. .	322
Hæmorrhage into the vitreous, by Capt. A. J. Hull, clinical and other notes .. .. .	409	House-flies and their ways at Benares, letter from Major F. Smith, correspondence .. .. .	447
Hallaran, Major W., surgery in an Indian cantonment general hospital, clinical and other notes .. .. .	401	House-flies as carriers of enteric fever infection, by Lieut.-Col. A. R. Aldridge .. .. .	558
Hardy, Major F. W., Egypt as a foreign station, travel .. .. .	197	Hull, Capt. A. J., hæmorrhage into the vitreous, clinical and other notes	409
Harrison, Capt. L. W., is simple continued fever enteric fever? .. .. .	580	Humerus, fracture of the lower end of, case of, with rare form of displacement, by Capt. E. W. Bliss, clinical and other notes .. .. .	395
Harrison, Major W. S., enteric fever in war .. .. .	547	Hutton, Surgeon-Major G. A., remarks on certain points connected with the field hospitals during the autumn manoeuvres of 1872, &c., echoes from the past .. .. .	526
Hathaway, Lieut.-Col. H., the disposal of the wounded of mounted troops .. .. .	485	Hydatid disease of the femur, case of, by Capt. S. L. Cummins, clinical and other notes .. .. .	69
Health of Europeans and natives in Peking, notes on the, letter from Major K. B. Barnett, correspondence .. .. .	545	"Hygiene and temperance, proceedings of the conference on, in the universities and schools of the British Empire, 1907," review of .. .. .	437
Heart, cardiac murmurs as a cause of unfitness for service, by Lieut.-Col. D. Wardrop .. .. .	32	Hygiene in Army schools, the teaching, by Major R. J. Blackham .. .. .	17
Heart, cardiac murmurs as a cause of unfitness for service, letter from Capt. L. Bousfield, correspondence	541	Hysteria in military life, current literature .. .. .	442
Heart disease and the Service, by Lieut.-Col. R. J. C. Cottell .. .. .	460	Indian fakir, leprosy and an, letter from Col. R. H. Forman, correspondence .. .. .	543
Holt, Major M. P., ligature of the renal vessels by the transperitoneal method for the cure of persistent urinary renal fistula, &c. .. .. .	219	Infectious disease on board troopships, some remarks on the prevention of, by Major A. E. Smithson, clinical and other notes .. .. .	604
Holt, Major M. P., Malta fever, correspondence .. .. .	546	Ingrowing toenail, by Lieut.-Col. J. J. Gerrard, clinical and other notes .. .. .	60
Holt, Major M. P., report on the surgical work, Royal Herbert Hospital, Woolwich, for 1906 .. .. .	165	Inoculation, anti-typhoid, by Major H. J. M. Buist, reports, &c. .. .. .	613

	PAGE		PAGE
Inoculation with Yersin's plague serum — a personal experience, clinical and other notes . . . . .	504	Leprosy and an Indian fakir, letter from Col. R. H. Forman, correspondence . . . . .	543
Intestinal hæmorrhage, danger of the starch and opium enema treatment of, by Lieut. C. Ryley, clinical and other notes . . . . .	292	Liver, case of aspiration of the, &c., letter from Lieut.-Col. M. W. O'Keefe, correspondence . . . . .	321
Jamaica, sanitation and an earthquake, by Major E. C. Freeman . . . . .	385	Liver, case of aspiration of the, &c., letter from Lieut. N. Low, correspondence . . . . .	218
Jameson, Major J. C., Lieut.-Col. S. F. Loughheed, and Majors E. M. Pilcher and H. N. Dunn, surgical report for the Royal Arsenal, Woolwich, 1905-06 . . . . .	244	Local analgesia, by A. E. Barker . . . . .	115
Japan, baths and bathing in, by Major K. B. Barnett, travel . . . . .	71	Local analgesia, letter from Major F. J. W. Porter, correspondence . . . . .	322
Japan, sanitation in, by Lieut. C. Ryley, travel, &c. . . . .	421	Loughheed, Lieut.-Col. S. F., and Majors J. C. Jameson, E. M. Pilcher, and H. N. Dunn, surgical report for the Royal Arsenal, Woolwich, 1905-6 . . . . .	244
